P. G. Rep. George W. Jordan, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Credentials report that Bro. Levi Turner, of Rockfield Lodge, No. 301, came without his credentials, but telegraphed for same last night, and will probably receive them some time to-day. Several brothers from neighboring Lodges vouch for Bro. Turner, and we have oral testimony from some of them that Bro. Turner was Noble Grand last term, and sitting Past Grand now, and that he was duly elected as Representative from his Lodge. We therefore recommend his admission to a seat in this Grand Body.

The Grand Master then submitted his annual report as follows :

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana :

PAST GRANDS AND REPRESENTATIVES:—Under the provisions of your organic law it becomes my duty to make to you a report of my action as your executive officer, and to submit for your consideration my official acts since the last meeting of this Grand Body.

I am glad that I am able to report to you the continued and assured success of our beloved Order in this Jurisdiction; that its course is still onward and upward, and while it is probably true that the causes which were put in operation before my induction into office, *viz*: the change in the work by which all of the work is done and performed in the Third Degree, has prevented any increase in our numerical strength, as it has caused the falling off from us of large numbers of Initiates from the fact that the change practically excluded them in that position from any active participation in the main work of the Lodge; and many of those who had only crossed the threshold of the Lodge, and who unreasonably expected to reap all the benefits of the organization, so far as they were personally concerned, without fully devoting themselves to all the labors of the field thus opened to them, and who were indisposed to avail themselves of the opportunities to advance, step by step, until they had fully attained a knowledge of all the intrinsic excellencies of the institution.

It is likely that the report of your Grand Secretary will show a slight falling off in the number of the membership, not at all serious, however, yet I feel that I am not in any way overestimating or overstating the facts, when I state that at no time in the history of our Order in this State, was it ever in a more prosperous condition, more abundant in good works, or better fitted and adapted for the labors of benevolence that it is charged with, and which it has assumed as its own peculiar work in this day and age.

I take pleasure in reporting to you an increased efficiency and attention of the D. D. G. M.s to the duties of their official position. With but an occasional exception, the more marked because it has occurred in so few instances, nearly all of them have been unusually prompt in reporting to me the condition of the Lodges in their charge, and I am thereby enabled to speak with confidence of the present status of the Order, and to assure you of the prosperous and harmonious condition of the Subordinate Lodges in this Jurisdiction.

SURRENDER OF CHARTER.

On the 24th of September, 1883, I received a communication from D. D. G. M. Barton R. Sears, notifying me that Epsom Lodge, No. 519, had surrendered her charter. I immediately wrote him instructions to take charge of all property of the Lodge, and to settle up the affairs of the Lodge, so far as the effects of the Lodge were available for that purpose; and to transmit to the Grand Secretary all books and paraphernalia of the Lodge, and all other property not needed in the settlement of the affairs and liabilities of the Lodge.

Upon November 2d 1883, I received a communication from D. D. G. M. B. R. Sears, in regard to the condition of Bee Lodge, No. 572, and of his action in the premises. Under the circumstances there existing, he deemed it advisable to cause the surrender of the charter, which with the books, etc., are now in the office of the Grand Secretary.

I file herewith the report of Bro. B. R. Sears.

NEW LODGES.

Upon the 7th day of June, 1883, I issued a commission to D. D. G. M. Hugh Bowman to institute a Lodge at Green Oak, Fulton county, in accordance with a charter granted by the Grand Lodge at its last session. He reported to me that the Lodge was regularly organized upon the 12th day of June, 1883, with eight charter members, by the name and style of Green Oak Lodge, No. 600; that it starts under most favorable auspices and promises to be a success. The report of Bro. Bowman is filed herewith.

August 7, 1883, upon the petition of Bro. Chas. W. Camp and eight others, accompanied with withdrawal cards, in regular form, I granted a dispensation to organize a Lodge at Garrett, DeKalb county, and appointed P. G. R. John W. McQuiddy Special Deputy to institute the same. He reported the organization of the Lodge upon the 29th of August, 1883, to be known and hailed as Garrett Lodge, No. 602. This Lodge commences with nine charter members, is well and favorably located, and has every pros-

pect of becoming at an early day a strong and prosperous Lodge. I file herewith the report of Bro. McQuiddy and recommend that a charter be issued for said Lodge.

Upon the 18th day of September, 1883, upon the petition of Bro. F. Mead and six others, with which were presented withdrawal cards in due form, I granted a dispensation for a Lodge at Pittsburg, in Sullivan county, and issued a commission to D. D. G. M. Murray Briggs, as Special Deputy, to organize and institute such Lodge. Upon October 23d he reported that on the 6th of October, 1883, he instituted a Lodge at that place, to be known and hailed as Hymera Lodge, No. 603; that the organization was had under the most favorable circumstances, and that its prospects for success and usefulness are very bright and promising. I file herewith his report and recommend that a charter issue for said Lodge.

Upon October 3d, 1883, on the petition of J. W. Jacob and six others, accompanied with withdrawal cards, I issued a dispensation for a Lodge at Bird's Eye, Dubois county, and appointed Bro. D. F. Wade, Special Deputy to institute the same. He reports that on the 18th of October, 1883, he organized the Lodge under the name and style of Bird's Eye Lodge, No. 604, and that there is a good prospect that the Lodge will be an assured success. I file herewith his report, and recommend that a charter be granted for such Lodge.

NEW LODGES, DEGREE OF REBEKAH.

Upon a proper petition therefor, upon the 12th day of June, 1883, I caused a warrant to issue for a Lodge, D. of R., at Annapolis, Parke county, which, with the necessary books and papers, were sent to Rob't J. Jones, D. D. G. M., who on the evening of July 12, 1883, instituted the same.

On August 1, 1883, upon the petition of qualified members, I granted a warrant for a Lodge of the D. of R., at Webster, Wayne county, which, with the accompanying books and papers, were sent to Bro. T. W. Taylor, Special Deputy. No official report has been received, but I understand that the Lodge has been duly organized.

August 12, 1883, I ordered the issuing of a warrant for a new Lodge of the Daughters of Rebekah, at Indianapolis, and appointed Bro. B. F. Foster, G. S. Special Deputy to institute the same. He reports the organization of the Lodge upon the 18th day of August, 1883, with twenty-four charter members.

August 15, 1883, upon receiving a proper petition therefor, I ordered a warrant to be issued for a Lodge of the D. of R., at WORTHINGTON, Green county, which, with the necessary books and papers, were sent to J. M. Beach, Special Deputy, who, on the evening of August 18, 1883, organized the same with twenty-two charter members.

DEGREE OF REBEKAH.

In obedience to the instructions of this Grand Body, given at the May Communication, 1883, Proceedings, page 2081, I did on the 10th day of September, 1883, appoint P. G. R. S. B. Halley, P. G. R. L. Higginbotham, and P. G. J. D. Carmichael as the committee to devise and report to this annual Communication a plan by which greater efficiency may be given to the D. of R. in this jurisdiction,

and notified the brothers of their appointment. It was somewhat difficult for one to determine just what was the best thing to do to accomplish the end desired, or how to take the proper steps to reach the purpose sought to be attained; but after full consideration of the matter, I came to the conclusion that it would be more likely to be effected by putting the matter in the hands of brethren that had a knowledge of the condition and wants of that branch of our Order in different parts of the state, and I requested them to open up a correspondence, and then to meet and consolidate their work in a report to this Grand Lodge at this communication.

From the known efficiency of the committee, their earnest love for the Order, and their special zeal and hopes for the success of that branch of the Order, I am much in hopes that something may be done in the direction of encouraging and building up that part of our Institution, for I have seen and recognized for some time that there was great need for additional legislation in this direction; the duties of my office have brought to my notice the fact that there is not the interest taken or manifested in this valuable adjunct to the Order that it merits and demands, and that of right should be taken by our brethren in the success of that branch of our Order. My correspondence with Daughters of Rebekah in various parts of the jurisdiction has fully satisfied me that our sisters are not only willing but anxious to be our helpers in the great work of human benefaction, and if we are wise in our day and time, we will see to it that the opportunity is furnished and afforded them for that purpose.

I commend the report of the committee to your favorable consideration, and earnestly hope that something may be done to improve the status and condition of that branch of our Order.

TRIALS IN LODGE.

I desire to call the attention of the Grand Lodge to an anomaly that has already, and may again, occur, growing out of the change in the work. As the law now stands all work, except initiations and the conferring of the Degrees, is ordered to be done in the Third Degree, or rather when the Lodge is opened in that Degree. The difficulty that has occurred is where a brother, who has not attained the Third Degree, is charged with an offense against the laws of the Order, when the report of the committee is appealed from, to the Lodge, as to what Degree the Lodge should be opened in for the purposes of trial. As the accused has a clear right to be present at the trial, and from the fact that he could not be present when the Lodge was open in a Degree to which he had not attained, and in which he could not work or prove himself, I held that in such circumstances necessity would compel a departure from the letter of the law, as the least of the two evils; and instructed that in such a case the trial should be conducted with the Lodge working in the Degree to which the accused had attained. My action in the matter is submitted to the Grand Lodge for its approval or reversal, as to it may seem to be right; and I earnestly recommend that such legislation may be had in this matter by the Grand Lodge as may be necessary to remove the difficulty, and to establish and fix a uniform rule of practice in the matter.

DEGREE FEES.

I desire to call the attention of the Grand Lodge to a matter of considerable importance, as bearing upon the question of our numerical increase in this Jurisdiction in the coming future, and in regard to which there is at this time considerable agitation both in and out of the Order in this State. That is the propriety of a reduction in the Jurisdiction of the minimum to be fixed as the fees for the Degrees. My own conviction is that our numbers can and would be largely increased by fixing that minimum at the price of nine dollars for the three Degrees—three dollars for each—in place of the amount now fixed of five dollars.

Many of our sister jurisdictions have for a long time had their minimum at this, and some of them at even a lower figure, and their progress, as shown by their records, have in my judgment fully justified their course and action in the matter. It is a fact that since the change in the work of the Order, by and through which all of our initiates who from financial inability or from other causes, decline to take the Degrees, that our numbers have been sensibly diminished, the number of additions from the outer world not fully equalling the loss of those that have suffered themselves to drop out of our Order. I am fully aware that this will not be so in the future to the same extent as in the past, and yet it is true that many of the good and the true are hindered from entering our portals and becoming of us, and with us, by the question of its cost as compared with the cost of full membership in many of the organizations of a kindred character so prolific in our day and age. This is not the time or place to compare them, or array them in any way with each other, and I have no disposition to do so in any way or manner whatever. Our business is with Odd Fellowship in this Jurisdiction, and with that alone.

I know that some will be ready to cry out that it is unwise, and that there is no necessity of cheapening Odd Fellowship, and in this feeling I am in full harmony with that class of my brethren. But we should not close our eyes to the fact that in the future as in the past our ranks must be recruited in a large degree from the sturdy sons of toil, from the mechanics and working men of the state and nation; and that this question of expense and cost is with them a vital one, and as its sequence and consequence, a vital one with the organization. And then, too, it is proper to realize that the main source of our income, our means for keeping up and maintaining the beneficiary system of the Order, is from our regular dues, rather than from fees for initiation and Degrees.

I therefore recommend to this Grand Body the favorable consideration of the proposed change, and such action thereon as in their judgment shall be for the best interests of the Order.

CIRCULAR.

In accordance with the order of the Grand Lodge (See Pro. p. 2102) upon June 21st, 1883, I prepared and caused to be issued to the Subordinate Lodges of the Jurisdiction, a circular embodying the sentiments of the resolution adopted at the May Communication upon the subject, and condemning the action of some of our

brethren in the wearing of the regalia and using the emblems of the Order in organizations not authorized by the Sovereign Grand Lodge. I submit herewith a copy of said circular.

At the last Convocation of the Sovereign Grand Lodge, held at Providence, Rhode Island, September, 1883, it was solemnly resolved and declared that an offense of this kind and character was conduct unbecoming an Odd Fellow, and a grave offense against the organization and its unity, and that all members of the Order, upon conviction of having so offended, should be expelled.

I am glad to know that the action of this Grand Lodge, and the issuing of the circular has been very generally received by the membership in this jurisdiction in a kindly and fraternal spirit, the threatened danger in a large degree stayed and averted, and the former reputation of this jurisdiction for loyalty to the Supreme Head of the Order fully sustained. Upon the 13th day of October, 1883, the Grand Sire, Erie J. Leech, issued his proclamation to the Order, setting forth the action of the Sovereign Grand Lodge, and upon the 23d day of October, 1883, I prepared and caused to be issued to the Subordinate Lodges of this jurisdiction an address, which, together with the proceedings of the Sovereign Grand Lodge and the Proclamation of the Grand Sire, was promulgated to all the Lodges in the Jurisdiction. Copies of all which are filed herewith.

WORK OF THE ORDER.

There have been occasional omissions upon the part of a few Lodges, in insisting upon a close adherence to the work, such as omitting the "Signs," etc. Where my attention has been called to such omissions, I have invariably insisted that the Ritual and all instructions to candidates must be strictly complied with; that the signs, on entering or retiring from the Lodge when it is in session, are an essential part of the work. It is the duty of all the officers of the Lodge to be careful in this regard and the special duty of some of them to see not only that the signs are given, but to see that they are given correctly, and the particular charge of D. D. G. Ms. to look well to this matter.

While it is not desirable that D. D. G. Ms. should be over-anxious or dictatorial when they meet with the Subordinate Lodges, they should avail themselves of their official positions to prevent innovations, and as far as practicable, keep the Lodges from sins of omission as well as those of commission; upon the other hand, it is all-important that D. D. G. Ms. should not forget that they are the agents and representatives of the G. M.; that they have no authority or right to overrule, or themselves disobey or permit others to disobey the rulings and mandates of the G. M.

Until such rulings of the G. M. are reversed by the G. L., *they are mandatory* and must be obeyed by all to whom they are addressed.

In this connection I desire to again call the attention of this Grand Body to the subject of the use by members of the Order of unauthorised "Books," both in and out of the Lodges. In my judgment, such a course of action is highly reprehensible upon the part of all those that indulge in such a practice. I think that

there is a necessity for an expression by the Grand Lodge on this matter, and I recommend a condemnation of the wrong-doing.

REPORT OF GRAND INSTRUCTOR.

I submit herewith the report of Grand Instructor Bro. John W. McQuiddy, and desire to fully endorse that report, and my full concurrence in all the suggestions therein made.

In my judgment the arrangement for such an officer in this Jurisdiction was wisely made, and that great and good results have followed from the use and exercise of the office, by producing a far greater uniformity and perfection in the work, and I heartily commend the continuance of the office.

CONCLUSION.

And now in the conclusion of this report, with a full recognition of that kind and beneficent Providence, the care and protection of that God in whom we trust, that has so blessed us in our work and cheered us in our labors with and for humanity, I can not withhold my heartfelt thanks and gratitude to the Past Grands and Representatives, not alone for the distinguished consideration of their suffrages, which has for the past year placed me in a position, of the honors of which, any man may justly be proud without subjecting himself to the charge of being vain, but also for the steady, earnest aid and co-operation that I have met and found from all the officers of the Grand Lodge, and all of those that constitute its rank and file.

Like all positions of trust and honor the office has brought with it days and nights of labor, onerous and difficult duties to perform, which, however, have been largely lightened and cheered by the generous aid and assistance of large numbers of my brethren, far too many for individual mention, but who are one and all gratefully remembered by myself, and the remembrance of which will dwell greenly in my memory as long as life shall last. And I cannot refrain from a full expression of my thanks to the Subordinate Lodges of the State, and especially those Lodges in the Jurisdiction in which differences have arisen and in which conflicts were threatened, all of which have been substantially averted, and harmony and peace maintained in all of our borders. I have invariably found my brethren ready to listen to advice, prompt and ready to receive the counsel of the Grand Master, and willing to obey the mandates of the office, when, in the discharge of my duties, I have felt that the welfare of the Order required such action.

It is more than likely that I have often erred, but these errors have been of the head and not of the heart, for I have and hold, and for nearly forty years have held, a deep and abiding love for Odd Fellowship, and an earnest desire for its welfare and perpetuity, and shall to the close of my mortal life, for I know its worth, its usefulness, and its fitness to minister to humanity in the troubles incident to human life.

As I approach the close of my official term I shall gladly lay off my official armour and pass it to my successor, content with your approval of my conduct of the office, if I shall be fortunate

enough to obtain it. Feeling that while it is not for mortals to command success, one may, when earnestly enlisted in a good and worthy cause, endeavor to deserve it.

And now, in the language of "Tiny Tim," "God bless us every one."

Respectfully submitted,

SAMUEL P. OYLER,

Grand Master.

P. G. Theo. Stackhouse, from the Legislative Committee, submitted the following:

tary be authorized to draw warrants on the Grand Treasurer for their mileage and per diem when the above named brothers return to him their credentials.

Which was concurred in.

The Grand Secretary then submitted his report as follows:

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

I herewith submit my report of the work and condition of the Subordinate Lodges for the term ending June 30, 1883. Our statistics will show a slight loss in membership, though a substantial gain in all the elements that conduce to the permanent growth and prosperity of the Order. The Grand Master has hinted at one of the causes that has doubtless prevented a more rapid advance in point of membership, when he alludes to the radical change in the manner of working in Lodges, which has hardly yet become fully understood and appreciated. And yet, as before remarked, in all other respects our Institution is being rooted and grounded upon a solid foundation.

Let those who would undervalue Odd Fellowship as a power for good in the world, consult the statistics of the Order as to the relief afforded through its beneficent workings. Our relief report for the term ending June 30, 1883, is perhaps the largest ever made in a single term; and while it indicates a great amount of sickness and suffering, it shows at the same time that the Lodges have been in a condition to meet promptly all demands upon their treasuries. During the term, *one thousand, seven hundred and eighteen brothers*, and *one hundred and seventy widowed families* have been relieved. The sum of \$31,052.95 has been paid for the relief of brothers \$3,334.58, for the relief of widowed families; \$625.20, for educating orphans; \$8,173.32, for burying the dead, and \$4,084.51, for other charitable purposes, making a grand total for relief of \$47,270.56. This is the financial part of our exhibit, while no estimate can be made of those attentions which are supplemented by the watch-care and kindly ministrations of the brotherhood.

Five new Lodges have been instituted since the May Communication, while one has surrendered its Charter.

The following Lodges are delinquent, having failed to send in reports for the term: Bellville, No. 205; Tetersburg, No. 324; Whitestown, No. 355; Wea, No. 450; Fairmount, No. 381; Starke, No. 398, and Bethel, No. 492.

REBEKAH LODGES.

In accordance with a resolution adopted by this Grand Body at its last Communication I sent out a circular, addressed to the Secretaries of Subordinate Lodges in those places where charters had been granted for Lodges of the Degree of Rebekah, with a view of ascertaining the true status and condition of this branch of our Order. To those Lodges sending in reports for the year 1882, no circulars were sent, as they are alive and in working order. From the responses to these circulars I am enabled to make the following statement:

Thirty-six reporting are either actively at work (some of them having been re-organized) or contemplate doing so at the earliest possible moment. Of these I may mention the following places, where they are located, without giving the name or number of the Lodge: Decatur, Adams county; Martinsville, Morgan county; Elizabeth, Harrison county; Clay City, Clay county; Lynnvile, Warrick county; Evansville, Vanderburg county; Rossville, Clinton county; Bringham, Carroll county; Six Mile, Jennings county; Little York, Washington county; Everton, Fayette county; Romney, Tippecanoe county; Miami, Miami county; Fowler, Benton, county; Elkhart, Elkhart county; Annapolis, Parke county; Selma, Delaware county; Princeton, Gibson county; Richmond (German), Wayne county; Oxford, Benton county; Stockwell, Tippecanoe county; Valparaiso, Porter county; Abington, Wayne county; Butler, DeKalb county; North Manchester, Wabash county; Lawrenceburg, Dearborn county; Westville, Laporte county; Fairfield, Franklin county; Bunker Hill, Miami county; Jonesboro, Grant county; Mulberry, Clinton county; Monticello, White county; Kokomo, Howard county; Rochester, Fulton county; Bloomingsburg, Fulton county; Macy, Miami county; and Peru, Miami county.

From Secretaries of Lodges in some of these places we have received letters full of encouragement with regard to the future. One sister, in writing from a Lodge as its Secretary, says: "We do not want to let the Lodge go down or surrender the charter, if we can help it. The fact is, we have depended altogether upon the gentlemen to do the business of the Lodge, but I think hereafter the ladies will see to it themselves, and then it will be attended to at the right time."

Seven Lodges, in the following places, in responding to our circular, speak in discouraging terms with reference to the outlook of the Rebekah work, but as yet have not sent in their charters: Sevastopol, Kosciusko county; Thorntown, Boone county; Brookville, Franklin county; Knightstown, Henry county; Alto, Howard county; Roann, Wabash county; and Glendale, Daviess county.

Eight charters have been returned from Rebekah Lodges in the following places: Lowell, Lake county; Utica, Clarke county; Zionsville, Boone county; Vernon, Jennings county; Daleville, Delaware county; Milan, Ripley county; Rainsville, Warren county; and Boston, Wayne county.

The Rebekah Lodge at Mooresville ceased working several years ago, and at the time the Lodge hall was burned lost their charter by fire.

Several Lodges have as yet failed to respond to our circulars, but will probably do so at an early day.

Thus it will be seen that there is a decided improvement in this branch of the Order, and a prospect that many Lodges hitherto dormant will be awakened to newness of life.

I have just received from Grand Secretary Theo. A. Ross several hundred of the new blanks provided by the Sovereign Grand Lodge for Rebekah Lodges. These will be sent out to Lodges next month in time for the yearly report of 1883.

CONCLUSION.

A word of exhortation in conclusion. Assembled here to-day are the Representatives of an Order that numbers over half a million members; that disburses annually for the relief of its members nearly two millions of dollars—an order that has reared for itself a name that is imperishable, and that has left upon the pages of history an impress for good that time can never efface. With such pleasant memories that crowd upon us in retrospecting its past, shall we not press on to still greater achievements in the future? Let us remember that our field of labor is the world, and the objects of our care and solicitude, the humanity with which that world is peopled. Invoking the divine blessing upon our efforts, in returning to our Lodges and our homes, shall we not labor “in season and out of season,” in “sunshine and in storm,” for the upbuilding of this noble institution that has been consecrated to the great principles of “Friendship, Love and Truth.”

GRAND LODGE HALL VENTILATION.

At the last session of this Grand Body the trustees were instructed by resolution to provide for the better ventilation of the Grand Lodge Hall. This has been done, as will be seen by an inspection of the same. The blinds have been altered so as to admit air when needed, without the least exposure of the work. A ventilator has also been built in the center of the ceiling, to allow the escape of all impure and foul air. The improvement was much needed, and will, no doubt, conduce to a more healthful state of the atmosphere

P. G. Whittenberger, of No. 426, was excused on account of death in his family.

The following report of the Representatives to the Sovereign Grand Lodge, I. O. O. F., was submitted by G. Rep. Will Cumbach, which on motion was referred

to the Committee on the State of the Order without reading:

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The fifty-ninth annual session of the Sovereign Grand Lodge met at Providence, R. I., on the 17th day of September, and adjourned on the 22d day of the same month.

All the jurisdictions were represented, and the session was harmonious throughout. If there was any strife among the Representatives, it was that laudable contention to excel in devising wisely for the good of our noble Order. A careful and conservative feeling was manifest in all the deliberations.

HOSPITALITY OF THE RHODE ISLAND BRETHREN.

We speak the sentiments of all when we say that the Rhode Island Odd Fellows have made a name for themselves for real generosity and genuine hospitality that will be remembered by all who were the happy recipients of their kindness. The Daughters of Rebekah of Providence and the neighboring city of Pawtucket, not to be outdone by the brethren, were unceasing in their efforts to make the stay of the wives and daughters of the Representatives pleasant and delightful. At the adjournment there was a universal feeling and expression that at no point where the Sovereign Grand Lodge had met had the hospitality of the people ever been surpassed, if it ever had been equalled.

Among the many things devised for our entertainment, was a grand excursion down the bay to the ocean, and thence to Newport, on the Saturday before the meeting of the Grand Body. A splendid band of music, a clam-bake, a ride in carriages of ten miles through Newport and along the beach, an elegant supper on the steamer, were some of the accompaniments of the excursion.

On Tuesday afternoon a grand parade of the Order was had. In the procession were the Uniformed Patriarchs, the Lodges and Encampments of many of the states, the Sovereign Grand Lodge in carriages, and thirty-six bands of music.

PAST GRAND REPRESENTATIVES' UNION.

In the evening, after the parade, the annual meeting of the Past Grand Representatives Union was held in the great Music Hall of Providence. The finest vocal and instrumental music was rendered, and the following Grand Representatives made addresses, in the order named: G. Rep. Randall, of California; G. Rep. Her-ring, of Texas; G. Rep. Cumback, of Indiana; G. Rep. Stebbins, of New York.

GRAND SIRE'S REPORT.

The report of the Grand Sire was very able and elaborate, and was listened to with deep interest by the Representatives. We make the following extracts from the report:

REPORT OF GRAND SIRE.

Nineteen years ago we met for the first time in annual session, in New England, in the far-famed and classic city of Boston, where first rocked the cradle of liberty in this new world, and held our gathering beneath the shadow of Faneuil Hall. To-day beholds us again in New England, in the beautiful city of Providence, the adopted home of Roger Williams the author and founder of that spirit of religious toleration which has made Rhode Island so famous, and aided, more than anything else, in paving the way for the upbuilding of all such associations as ours in this our beloved land; and the hearty welcome with which we have been received here shows that, in this little state, Odd Fellowship has taken deep root in the hearts of its people, and goes hand in hand with religion in its offices of benefaction, cheering the widow and orphan, and shielding the needy and distressed from suffering and want.

GENERAL CONDITION OF THE ORDER.

It is with pleasure that I am able to state to you that our progress during the year has been extremely gratifying, and in every particular highly satisfactory. Our *net* gain in membership has been 18,050, which, with the loss of about 2,000 in Kentucky and North Carolina, by the retirement of defunct Lodges they have carried for years, would really make our increase over 20,000—larger, in fact, than that in any previous year. Our finances are in a sound and healthy condition, and we may congratulate ourselves that at no period in the history of our Order has the outlook for the future been more bright and promising.

RETURNS.

The returns for 1882 are shown by the following table:

		INCREASE.
Grand Lodges.....	50
Grand Encampments.....	41
Subordinate Lodges.....	7,514	206
Subordinate Encampments.....	1,864	25
Lodge initiations.....	47,549	989
Lodge members.....	493,997	18,050
Encampment initiations.....	10,044	3,414
Encampment members.....	85,110	4,467
Total relief.....	\$1,882,443 88	\$51,272 50
Total revenue.....	5,245,946 00	391,068 83

In this connection it is proper to say that I am informed that the reports of several Grand Bodies were received at a very late day, the returns from one Grand Encampment reaching the Grand Secretary on the 16th of August. At the last session (Journal, 9023,) the Committee on Miscellaneous Business reported "that the law prescribes no adequate penalty for a failure to comply with the requirements of the law in this respect," and recommended "that the matter be referred to the Legislative Committee for further legislation on the subject." When action was had on this report, it was probably too late for the enactment of suitable legislation, at

the late session, to enforce compliance with Article X, By-Laws, which requires returns to be made to the Grand Secretary *on or before the first day of April*; but it is hoped the subject will now be fully considered, as the delay on the part of a few Grand Secretaries and Grand Scribes is apparently needless, and is the cause of serious inconvenience and much extra labor to the Grand Secretary of this Body in tabulating the returns, especially (as is generally the case) when the copy has been sent to the printer, and alterations have to be made in the proof.

The Grand Secretary bears testimony to the generally prompt returns of Grand Secretaries and Grand Scribes, and any law that may be enacted will not affect those who are faithful to the duties prescribed, but must cause the dilatory (who, relying upon the laxity of the law, are indifferent on the subject) to transmit their reports within the prescribed time. It appears singular, yet it is a fact, that jurisdictions with a small number of subordinates are the last to report.

DECISIONS.

1. Can the Grand Patriarch of Michigan proceed at once to the organization of Uniformed Degree Camps in our state, after receiving the Work and Rituals, and *prior* to any action by our Grand Encampment, which will not meet until February, 1883?

Answer—In the absence of specific legislation, and the fact that many Grand Encampments do not hold sessions for several months to come, I decide, that as soon as they receive the Work and Rituals pertaining to Uniformed Degree Camps, Grand Patriarchs and Grand Scribes may proceed at once to organize such Camps, granting them dispensations to work, subject to the approval of their Grand Encampments, as in organizing other Camps.

2. Concerning the number of copies of Rituals a Uniformed Degree Camp may have, the resolution does not limit the number, and I decide, that as there is no definite law on the subject, each Uniformed Degree Camp is allowed to procure not to exceed five (5) Charge Books, or Rituals, of the Degree.

3. At a regular meeting of the Lodge, a Withdrawal Card granted to a brother at a previous meeting, was annulled, and a charge of embezzlement was preferred against said brother in regular form. Was the action of the Lodge in annulling the Card before the charges were proven, correct?

Answer—Yes. See *Digest*, Section 1303

4. Degree Lodges of the Daughters of Rebekah and Uniformed Degree Camps can not be chartered by the name or title of any living person.—*Digest*, Section 751.

5. The prayers for opening and closing Subordinate Lodges, adopted at the last session of the Sovereign Grand Lodge, may properly be printed in the Appendix to the Revised Journal.

6. The Warden has not the right to demand the Degree Pass Word from a visiting brother who has been duly examined and admitted by card, when a Lodge is about to open in a higher degree. See *Digest*, Section 1423.

7. In the absence of the Chief Patriarch, it is not only the right, but the duty of the Senior Warden to take the place of the superior officer and fulfill all his functions. In the absence of the

Chief Patriarch, the Senior Warden is *de facto* Chief Patriarch, and may confer the degree. He has the right, however, to invite a Past Chief Patriarch to occupy the chair during initiation, conferring degrees or upon occasion of Grand Visitation.

8. It is legal for the Senior Warden, acting as Chief Patriarch of an Encampment, or the Vice Grand acting as Noble Grand of a Lodge, to give the Term, or the Annual Traveling Pass Word to Initiates, or to a brother in good standing, when required.

9. A By-Law of a Subordinate, granting to a Vice Grand the privilege of calling a special meeting of his Lodge, in the absence from town of the Noble Grand, is legal.

10. It is legal for a Subordinate to confer a degree upon a brother from another jurisdiction holding an authenticated order from his Lodge for such degree, the said brother being without a Visiting Card and the Annual Traveling Pass Word—See *Digest*, Section 282.

11. How is Section 598, *Digest*, to be construed; that is, suppose a man born of a white father and Mexican mother, becomes a citizen, is he, or is any other person of mixed blood, eligible to membership in the Order?

Answer—The law is clear; the words “Indians,” “half breeds,” “mixed blood,” refer to colored people. If the “Mexican mother” was white, the man is eligible.

12. The Revised Rebekah Degree Work adopted at the last session, as soon as distributed, or ready for distribution, is the only legal Rebekah Work extant, and its use in lieu of the old Work is mandatory.

13. An unmarried half-sister of a brother of the Order is entitled, when proposed according to law, to the Degree of Rebekah, and is eligible to membership in a Degree Lodge of the Daughters of Rebekah.

14. To enable a brother of a Degree Lodge of the Daughters of Rebekah to visit such Lodges in jurisdictions other than the one to which the brother belongs, he must present a card from the Degree Lodge of the Daughters of Rebekah of which he is a member; the same as a sister of such Lodge.

15. In the legislation authorizing Uniformed Degree Camps, no provision was made for a “street regalia;” but it was evidently intended that the uniform prescribed “for the Patriarchal branch of the Order, to be worn on public occasions,” adopted in 1874 (*Digest*, Section 1031) should be used by members of Uniformed Degree Camps, and I therefore decide that they are authorized to use and wear in public the uniform prescribed in 1874.

16. As the law stands, a State Grand Encampment may adopt or reject the Uniformed Camp Degree

17. A State Grand Encampment adopting the Uniformed Camp Degree, has not the power or right to make any other qualifications than those prescribed by the Sovereign Grand Lodge, to receive the Degree. The only qualification required is that the applicant must be a Royal Purple member in good standing.

18. At the organization of a Grand Lodge can a Subordinate be represented by proxy?

Answer—I do not find any law of the Order to prevent such

representation, and therefore reply that a Subordinate may authorize a Past Grand of another Lodge to represent it.

19. Can a Visiting Card be issued for a longer time than one year?

Answer—The general law of the Order says, “a reasonable time” (*Digest*, Section 155.) The Constitution for Subordinate Lodges under the immediate jurisdiction of the Sovereign Grand Lodge (Article IV., Section 1,) limits the time to one year. I think it desirable to have uniformity in this matter, and that one year is a “reasonable time.” I decide, however, that a Subordinate under the immediate jurisdiction of the Sovereign Grand Lodge can not issue a Visiting Card for a longer period than one year, but under the general law, Subordinates under State Grand Bodies must be the judges as to what is a “reasonable time;” therefore, a Visiting Card issued under the general law for a longer period than one year is legal.

20. A member was suspended for non-payment of dues. Under the law, though suspended, his dues continue to accumulate. He does not want to be re-instated, or take a Dismissal Certificate, but desires to pay the dues standing against him at time of suspension and all that have accrued since, resign his membership, and leave the Lodge honorably. Can the Lodge refuse to receive the money he tenders?

Answer—Yes; the Lodge can refuse to receive the money if he will not allow himself to be re-instated, or receive a Dismissal Certificate. He must be in good standing or he can not resign his membership. He should be re-instated to place him in good standing.

21. A member of a Subordinate Lodge, having been expelled, appeals to the Grand Lodge of his jurisdiction. The appeal is sustained by the Grand Lodge, and his Lodge directed to restore him to membership. Can said Grand Lodge at any subsequent session, re-open and again hear and determine the case? Is not the action upon appeal restoring the brother to membership final and conclusive against both the Lodge and the Grand Lodge, no appeal being taken to the Sovereign Grand Lodge?

22. A member of a Subordinate Lodge is expelled from membership, and, upon appeal, the action of his Lodge is sustained by the Grand Lodge of his jurisdiction, from which action an appeal is taken to the Sovereign Grand Lodge and the appeal sustained, and the Grand Lodge of the jurisdiction instructed to direct the Lodge to restore the brother to membership. Can the Sovereign Grand Lodge, at a subsequent session, re-open and again consider the case, or is action final and conclusive against all parties?

Answer—The same point is involved in the two questions (21 and 22), therefore one answer will cover both. I am unable to find any law of the Order on the subject, but upon general principles of law relating to criminal jurisprudence, it is a well-settled rule that a person duly charged with an offense against the laws of his country, having been tried by the highest tribunal in the land and acquitted, can not be re-tried by that tribunal for the same offense, therefore, I decide, that a brother duly charged with an offense against the laws of the Order, having been tried by the highest tri

bunal thereof, acquitted and restored to membership, that tribunal having adjourned without day, can not at a subsequent session thereof, re-open and re-try the case, its former action being final and conclusive against all parties.

23. It is provided in Section 6, Article II., Constitution for Subordinate Encampments under the Sovereign Grand Lodge, "when a candidate has been rejected for *reasons duly specified*," etc.; does this mean that the members who cast the black balls must give the reasons for their actions? or are the black balls alone to be considered "reasons duly specified?"

Answer—The fact of a sufficient number of black balls having been cast seems to be all the reasons required. The words, "for reasons duly specified," appear superfluous, and should be removed from the section referred to.

24 Can a D. D. Grand Sire, who is not a member of a Uniformed Degree Camp, visit a Camp under his jurisdiction as often as he chooses?

Answer—He may visit the Camp in his official capacity as D. D. Grand Sire, at all times he may deem necessary. The Grand Sire is authorized to institute Uniformed Degree Camps, and he may empower a D. D. Grand Sire to institute them when he can not act, and such Deputy can visit *officially*, but not generally, unless he becomes a member of a Uniformed Degree Camp.

25. A member who has been expelled from a Subordinate Lodge, appeals to the Grand Lodge of his jurisdiction, and the appeal is dismissed. An appeal is taken from the action of his Grand Lodge to the Sovereign Grand Lodge, the appeal is sustained, and the Grand Lodge is instructed to direct the Subordinate Lodge to restore the brother to membership. What is the standing of the brother in the Order during the time between the adjournment of the session of the Sovereign Grand Lodge at which the appeal was sustained and the time the Subordinate Lodge receives official notice from its Grand Lodge to restore the brother to membership? Does not the action of the Sovereign Grand Lodge sustaining the appeal, nullify all action had by the Subordinate Lodge on the charges upon which the brother was expelled and restore him to the same standing in the Order he possessed before the charges upon which he was expelled were preferred against him?

Answer —1. He still stands expelled until official notice reaches the Subordinate from the Grand Lodge, and then he should, of course, be restored to all his rights. 2. The action of the Sovereign Grand Lodge takes effect when officially made known to the Subordinate Lodge through the State or Territorial Grand Lodge, and not before.

26. An appeal is taken from the action of a Subordinate Lodge upon a subject affecting the rights of one of its members, to the Grand Lodge of the jurisdiction, and the appeal is either sustained or dismissed. From this action of the Grand Lodge upon the subject an appeal is taken to the Sovereign Grand Lodge, the action of the Subordinate is reversed and the Grand Lodge of the jurisdiction is instructed to direct the Subordinate Lodge to comply with the action of the Sovereign Grand Lodge upon the subject. Has not the Grand Master the power in such case, upon receiving official notice

of the action of the Sovereign Grand Lodge, to notify the Subordinate Lodge of the action of the Sovereign Grand Lodge and to direct it to comply therewith? If he has the power to so act, is it not his duty to do so?

Answer—He has the power to so act, and it is his duty to do so.

27. A citizen, resident of British North America, applies to be initiated into a Lodge in Florida. Can he be initiated and made a member of a Lodge in Florida, provided he has the consent of the Grand Master of the Grand Lodge of Lower Provinces, B. N. A.?

Answer—Yes. See *Digest*, Section 614, (Section 3, Article XVI, Constitution of Sovereign Grand Lodge).

28. The Grand Patriarch of Michigan instituted Semper Primus Uniformed Degree Camp, No. 1, at Detroit, and gave it a dispensation. He reported his action to the Grand Encampment at its session, February, 1883. The committee to which the matter was referred, reported in favor of granting a charter to said Camp. Upon motion to adopt the report, a resolution, as an amendment, was adopted, to *refuse* the granting of the charter unless said Camp will first give its consent to the organization of other Camps in Detroit.

Decided—That the action of the Grand Encampment imposes a condition upon granting the charter to Semper Primus Uniformed Degree Camp, No. 1, which demands the surrender of a clearly defined right guaranteed to said Camp, after its formal and lawful institution in conformity to the law of the Sovereign Grand Lodge, and that said action of the Grand Encampment of Michigan conflicts with said law, and should be set aside and the charter granted.

29. Has a Subordinate Lodge the authority, under any circumstances, to grant benefits to a brother who is more than thirteen weeks in arrears?

Answer—There is no general law regulating the granting of benefits. It is matter for local legislation. Many Grand Jurisdictions have provided in their constitutions for Subordinate Lodges, that benefits shall not be granted a brother who is more than thirteen weeks in arrears. There is no such prohibition in the Constitution of California. Therefore, as it is a matter for local legislation, Subordinate Lodges under the laws of California have the authority referred to in the inquiry.

30. There is no prescribed jewel for the Financial Secretary of a Degree Lodge of the Daughters of Rebekah.

In this connection, permit me to say, that the following questions have been presented to me in proper order, but were not decided owing to the fact that two were overlooked and the other was late in being received. I therefore present them here, and request that they be referred to the appropriate committee for report and decision by the Grand Lodge:

1. Is Past Grand Representative a higher rank or title than Past Grand Master or Past Grand Patriarch?

2. A Grand Lodge changes its Constitution for Subordinates, making the term of office of Treasurer *only* one year. Is that legal?

3. A Third, or Scarlet Degree member declines to take the Rebekah Degree, is his wife eligible to membership in a Degree Lodge of the Daughters of Rebekah upon a certificate that her husband is a member of the Scarlet Degree, or Degree of Truth?

PERMITS GRANTED.

November 5, 1882—Granted permission for Atoka Lodge, No. 5, Indian Territory, to participate at the dedication of the new hall of McAlister Lodge, No. 3, with or without regalia, as the Lodge shall determine.

On November 30, 1882—Granted permission for Bellvue Lodge, No. 9, Idaho, to have a public installation; also, to give a ball on the evening of January 1, 1883, the members to appear in regalia.

April 23, 1883—Granted permission for Rocky Mountain Encampment, No. 1, at Helena, Montana, to appear in uniform at their anniversary ball.

In regard to the three questions submitted to the Sovereign Grand Lodge, that Body answered, as follows: To the first question, in the negative, and to the second and third, in the affirmative.

The Sovereign Grand Lodge affirmed all the decisions of the Grand Sire, as above set forth, except Nos. 11 and 18; to these the Sovereign Grand Lodge dissented.

PATRIARCHAL CIRCLE.

It appears from the report of the Grand Sire that in some of the jurisdictions he has had great trouble with the Patriarchal Circle; that organization refusing to obey the mandate of the Sovereign Grand Lodge, and treating all the efforts of the Grand Sire to enforce the law with contempt, and in some instances with open defiance and rebellion. It is a matter of congratulation that no such rebellious spirit was manifested in this jurisdiction, but that our Grand Officers, with commendable loyalty to the Order, sustained the Grand Sire in all his efforts to maintain the law.

The report of the Grand Sire on this subject created great interest. A strong special committee was appointed, to whom the whole subject was referred, and they carefully considered the whole subject, and reported as follows, which was adopted by an overwhelming majority:

Resolved, That the Sovereign Grand Lodge hereby heartily and unreservedly endorses and approves the course pursued by the Grand Sire in issuing said Proclamations bearing date October 13, 1882, and April 10, 1883.

Resolved That any Odd Fellow who shall hereafter retain membership in, or become a member of any organization not subordinate to this Grand Body, which shall have adopted or appropriated to its own use the uniform, regalia, emblems, name, titles, mottoes or initials of this Order, or any part of them; or in which qualification for membership is based upon the applicant's standing in this Order; or in which the applicant is required to obligate himself to prefer said organization or any member thereof at the expense of this Order, or any of its members, shall be guilty of conduct unbecoming an Odd Fellow, and a grave offence against Odd Fellowship, and upon conviction thereof shall be expelled.

Resolved, That it shall be the duty of the Subordinate Lodge of which such person so offending is a member, as well as of every member thereof, to prefer charges against, and bring to speedy trial and sentence, any person so offending. If any such Subordinate Lodge

shall unreasonably delay in bringing any member thereof to justice who shall offend, as aforesaid, it shall be the duty of the Grand Lodge of the jurisdiction within which such Subordinate Lodge is located, and of its officers, to enforce upon such Subordinate Lodge a compliance with the requirements herein imposed, and in case of a refusal or of unreasonable delay upon the part of such Subordinate Lodge, the same shall be disciplined, if necessary, by such Grand Body to the extent of depriving it of its charter: Whenever any person shall be put upon trial for such offence, as is hereinbefore stated, no person shall serve upon the trial committee, who is, at the time, a member of any such organization as the offending brother is charged with being a member.

Resolved, That whenever it shall come to the knowledge of this Grand Body that any Subordinate Grand Jurisdiction has failed to require a due compliance with the duties hereinbefore imposed upon Subordinate Grand Bodies or their officers, such offending jurisdiction shall be deprived of representation upon the floor of this Grand Body, and a surrender of its charter shall be demanded.

Resolved, That the foregoing resolutions shall not be construed to apply to Odd Fellows' Insurance or Benefit Associations, and that these resolutions shall take effect January 1st, 1884.

HIRED NURSES.

On the subject of hired nurses for the sick, when distant from their Lodges, the Sovereign Grand Lodge adopted the following:

Resolved, That it shall be the duty of the Recording Secretary of a Subordinate Lodge, when he issues a visiting card, to endorse thereon the character of attentive benefits allowed by the By-Laws of such Lodge, and if such By-Laws allow the hiring of nurses during sickness, such fact shall also be stated, together with the compensation allowed per diem for such nurses, which endorsement shall be signed by such Secretary, with the seal of the Lodge attached."

PATRIARCHAL BRANCH OF THE ORDER.

The Sovereign Grand Lodge adopted the following:

That Uniformed Degree Camps are hereby authorized to elect such officers as are prescribed in Eddy's Tactics in addition to those prescribed in the Ritual, for the purpose of taking command when on street parade.

Also the following resolution was adopted:

Resolved, That no D. D. Grand Sire shall institute or visit any Uniform Degree Camp, officially or otherwise, unless he has been invested with said Degree.

DEDICATING ODD FELLOWS' HALLS.

The subject of revising the services at the dedication of Odd Fellows' halls was before the Grand Body, and was referred to the Legislative Committee.

On the report of G. Rep. Cumback, a special committee of three was appointed to present to the next meeting a complete revision of these services, and it is to be hoped that we will have something far better than we have now for those interesting occasions.

PAST GRANDS' UNION.

On the resolution of G. Rep. Richmond, of Indiana, the programme of the Past Grand Representatives' Union Meeting, on the 18th, was ordered printed with the proceedings of the Sovereign Grand Lodge.

It will make this report too long to review all the work done. As we said in the beginning, the main work of the Body was to prevent hasty and unwise legislation. In that they succeeded.

The growth of the Order, and its firmer hold on public confidence is very manifest. The civilizing and elevating influences of our principles and practices are felt and recognized everywhere, and the opposition to our progress is becoming feebler and feebler.

The reports of the Grand Sire, the Grand Secretary and Grand Treasurer show that never in the wonderful history of our Order has it been so strong and vigorous as at the present.

Our own jurisdiction being very near the front, let us not flag or falter, but rather with increased zeal and energy press on, so that we may hold and maintain our honorable position among the several jurisdictions.

The Sovereign Grand Lodge will hold the next session at the time fixed in the Constitution, at Minneapolis, Minn.

Your Representatives had honorable places on the standing committees, viz: G. Rep. Berger, Committee on Credentials; G. Rep. Heichert, Committee on Patriarchal Branch of the Order; G. Rep. Richmond, Committee on the Degree of Rebekah; G. Rep. Cumback, Legislative Committee.

Thanking each brother of the Grand Lodge for the high honor you have conferred on us in selecting us to represent you, we are,

Yours fraternally,

WILL CUMBACK,
N. P. RICHMOND,

Grand Representatives.

On motion of P. G. Rep. J. A. Wildman, the Grand Lodge adjourned until 1:30 o'clock p. m.

GRAND LODGE OF INDIANA.

The Grand Instructor submitted his report as follows :

REPORT :

S. P. Oyler, Grand Master :

With the close of the term for which I was appointed Grand Instructor, I desire to submit my report for your information. There has been but few calls for my services during the six months just passed. The instructions given in the secret work at the sessions of the Grand Lodge are carried to the several Lodges of this jurisdiction by the Representatives with commendable accuracy, which is doubtless the cause of so few calls upon the time of the Grand Instructor. Take our jurisdiction as a whole, and I think it will be found as well up in the secret work as any other.

But in the floor-work, especially of the degrees, this can not be so confidently said. There are, however, some Lodges whose work in this regard will compare favorably with those of any other jurisdiction, but they are comparatively few. These have procured the costumes necessary to properly render the work, and all are doing well. The attendance is increased, and a desire to elevate the standard of work engendered. The members have given time and study to perfecting and qualifying themselves to give a proper and impressive rendition of the degrees, not only for their own gratification and those who visit the Lodge, but to impress the lesson on the mind of the candidate. The majority of our Lodges know nothing of this work. Much inquiry has been made, however, concerning it. No doubt many Lodges have been deterred from moving in the matter by the accounts of the costly costumes purchased by some Lodges, given in the papers of the Order, and given up in despair of ever being able to introduce it. There is no absolute necessity for spending a great amount of money in costumes. Of course, the costumes are susceptible of great elaboration, and may be extravagantly gotten up, but any Lodge can, for an outlay of about \$80, with what they already have for the initiatory, procure all that is necessary in the way of costumes to do this work.

I learned while in Providence, R. I., where I met brothers from most of the New England states, that their Lodges were using the dramatic work, and that it had everywhere increased Lodge attendance, and added to their membership. The same results, in my opinion, will follow its introduction in this jurisdiction.

During my term of office I have endeavored to establish a uniform instruction in the secret work, and to give such information in regard to the floor-work of the degrees as was in my power. With the assistance of the degree staffs of Indianapolis, I have gone to Lodges whenever desired, and exemplified the work by a practical application, and I desire to thank these brethren for their valuable assistance.

PROCEEDINGS OF THE

Thanking you for the honor of the appointment, and trusting
that my efforts have been rewarded with some measure of success,
I am,

Faternally,

JNO. W. McQUIDDY,

Grand Instructor.

P. G. Rep. John W. McQuiddy, from the Legislative Committee, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

The Legislative Committee to whom was referred the amendment to section 6, chapter III, General Laws, striking out the words "and on" in the second line of said section, and adding a proviso, have considered the same and recommend its adoption. Said section will then read as follows:

Section 6. Nominations for elective officers may be made at the two meetings immediately preceding the evening of the election, and no vote shall be valid nor received as part of the poll unless it be given for a candidate thus nominated. *Provided*, that in case a Lodge has failed to nominate on the nights specified, or all candidates for any office decline, then nominations may be made on the night of the election, but not otherwise.

Laid over till to-morrow.

P. G. Rep. J. W. McQuiddy, from the same committee, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

The Legislative Committee to whom was referred the petition of Mt. Vernon Lodge, No. 49, asking a construction of the law gov-

erning questions therein submitted, have considered the same carefully, and find the following, which is the record of the Lodge :

On June 28th, last, it being the night of the election of officers, the N. G. was requested to announce that additional nominations for officers would be in order, nominations having been already made the two meetings previous. The N. G. decided that nominations could not be made at that meeting. An appeal was taken to the Lodge, and the ruling was reversed. Appeal was then taken to the D. D. G. M., who sustained the ruling of the N. G., when notice was given of an appeal to the Grand Lodge.

A motion was then made to proceed to close. This motion was ruled out of order by the N. G. Appeal was taken to the Lodge, and the N. G. was not sustained. The N. G. appealed to the D. D. G. M. who sustained the N. G. Notice was given of appeal to the Grand Lodge. The Lodge then refused, by a vote of 12 to 13, to go into election of officers, when it was suggested that nominees decline and new nominations be made. Bro. Paul, the candidate for Vice-Grand did so, and nominations for Vice-Grand were then made; Bros. Paul and Zimmerman being nominated. The Lodge then went into election of officers, and elected all the officers.

At the next meeting, July 5th, when the officers were being installed, and when Bro. Paul, the Vice-Grand elect was presented, objection was made to his installation. The D. D. G. M. decided that unless charges were brought against Bro. Paul the installation would proceed, and the officers were all installed.

The questions submitted to this committee for answer are:

1st. Was the decision of the N. G. correct in ruling nominations out of order on the night of election?

2d. Was the decision of the N. G. correct in ruling the motion to close out of order, under the circumstances?

3d. If one or both of the foregoing queries are answered in the negative what is the status of the officers who were elected and have served through the present term? Were they legally elected, and are they entitled to the honors of their respective positions?

We therefore answer as follows:

1st. That the decision of the N. G. was not in accord with Section 6, Chapter III, General Laws; which provides that "nominations for elective officers may be made at the two meetings immediately preceding, and on the evening of the election," etc. The decision was therefore not correct.

2d. Again the N. G. was in error. A motion to proceed to close was in order.—*Section 25, Indiana Digest.*

3d. As there seems to have been no irregularity in the election of the officers, so far as your Committee can observe, we are of opinion that they are entitled to the honors of office, as the legally elected and installed officers of said Lodge.

Which was concurred in.

P. G. Rep. W. Y. Monroe, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Legislative Committee to whom was referred the proposed amendment to Section 4, Chapter III, have had the same under consideration and recommend its adoption.

Said section will then read :

Section 4. No member shall be eligible to the N. G.'s chair unless he shall have served one term as V. G., nor for the V. G.'s chair unless he shall have served one term in some elective or appointed office, nor shall any member be eligible to any office until he shall have attained the Third Degree; and all elective officers shall have been instructed in the work of the Degree of Rebekah. No passed officer shall be a candidate for re-election to the office passed, when other nominations are made, unless he has been one full term out of office—except the Treasurer, Permanent Secretary and Recording Secretary. All must be Members of the Lodge in which they are elected, and free from all charges on the books of whatsoever kind.

Laid over until to-morrow.

P. G. Rep. J. B. Kimball, from the Committee on Grievances and Appeals, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Grievances and Appeals, to whom was referred the papers in the appeal of D. K. Jackson *vs.* Orion Lodge, No. 598, have carefully considered the same and find that about September 18, 1883, charges were preferred against Bro. Daniel K. Jackson, in Orion Lodge, No. 598, for conduct unbecoming an Odd Fellow. Specification 1. For refusing to deliver certain papers when ordered so to do by the Noble Grand. Specification 2. For using profane language and casting reflections on the Grand Master. Specification 3. For calling a brother a d. s. of a b. The Noble Grand appointed a committee, evidence heard, charges sustained, ballot spread, and the brother declared suspended for nine months; and from this action Bro. Jackson appeals.

This case, although not as regular as it might have been, still we think the evidence sufficient to sustain the charges; we therefore offer the following :

Resolved, That this appeal be dismissed, and the action of the Lodge sustained.

Which was concurred in.

P. G. J. B. Kenner, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your committee, to whom was referred the appeal and papers in the case of Bro John Johnson, against the action of Union City Lodge, No. 152, have had the same under consideration, and, after a careful consideration, we find this case has been in this Grand Lodge once before, it having been reversed at the May Communication thereof.

The facts are about as follows: Bro. John Johnson was, up to the time of the unfortunate occurrence which formed the basis of this charge, an exemplary young man and an esteemed Odd Fellow.

On the 9th of February, 1883, Bro. Johnson was stricken with pneumonia, and suffered from that disease several weeks; partially recovered, and suffered a relapse, and was again prostrated for several weeks more. These attacks seemed to severely prostrate the brother, and, from the evidence, evidently impaired his mind; he became sullen, cross and jealous of his wife, and charged her with being too intimate with a neighbor, one Benjamin Harris, a charge that all parties unite in pronouncing groundless.

On the 24th of March following, Johnson met Harris on the streets of Union City, and drawing a revolver fired four shots at Harris, three of which took effect, seriously wounding him.

Johnson was arrested and indicted for an attempt to murder Harris.

Shortly after, Bro. Johnson was charged before his Lodge, as follows:

"I hereby charge Bro. John Johnson with a premeditated assault with intent to kill."

Specification—"That Bro. Johnson deliberately drew his revolver and shot Benjamin Harris three times, probably fatally, on the 24th of March, 1883. Said shooting occurred on the corner of Columbia and Oak streets, in the town of Union City, Indiana."

Upon this charge, and before the brother had been tried by the court, he was tried by the Lodge and expelled, from which he appealed to the May Communication of the Grand Lodge. The case was reversed and sent back for a new trial.

On the 23d of April, 1883, Bro. Johnson was tried in the Randolph Circuit Court by a jury for this offense, and after hearing all the evidence the jury rendered the following verdict:

"We, the jury, find the defendant not guilty, on the sole ground that he was insane at the time of the commission of the alleged offense."

In July, 1883, Union City Lodge again tried the brother on the charges first preferred and again expelled him. And again the accused appeals to this Grand Lodge.

After the verdict of the jury, Bro. Johnson was duly declared insane, and he was sent to the Indiana Hospital for the Insane, from whence he was taken to the Cincinnati Sanitarium for Insane, and is still under treatment, and is still insane, and was insane when he had his last trial.

Your Committee has before it the evidence of eminent physicians upon the mental condition of Bro. Johnson. Among whom was Dr. Orpheus Evarts, late Superintendent of the Indiana Institution for the Insane, who testified before the Court that Johnson was insane at the time of the commission of the act and is still insane, and that he had been under his care and treatment for a long time after the commission of the offense.

Your Committee after full and very careful consideration of all the evidence in this case are thoroughly convinced that the reason of Bro. Johnson was dethroned at the time of the commission of this act, and that his act was one of an insane impulse utterly beyond his control. And as the laws and Courts of the State hold him innocent of this charge, our great Order, whose corner-stone is charity and brotherly love, cannot afford to do less.

We believe the evidence in this case shows no offense against the laws of our Order; we therefore offer the following resolution:

Resolved, That the action of Union City Lodge, No. 152, in expelling Bro John Johnson, be reversed, and that the charges in this case be dismissed.

Which was concurred in.

P. G. J. B. Kenner, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your committee, to whom was referred the papers and appeal of Bro. Martin Krueger from the action of Adullum Lodge No. 229, have had the same under consideration, and find that Adullum Lodge at a meeting thereof on August 14th, 1883, made the following record:

"Bro. M. Krueger, * * * * * reported as having failed to watch with sick. *Resolved*, That the matter lay on the table one week, until the next meeting."

Then at the next meeting of the Lodge, on August 21st, the further action was had, to-wit:

"It was resolved by a ballot vote, and by a two-thirds majority, that each brother who has failed to perform his duty in watching with the sick, shall be fined in the sum of two dollars, and this resolution shall remain in force in the future."

Then at the succeeding meeting of the Lodge on September 4, 1883, the further action of the Lodge was taken, as follows:

"Further be it voted here, that in the meeting held August 21st, Bros. Martin Krueger, * * * * * are each liable to a fine of \$2 for failing to watch with the sick."

The above comprises all the action in this case upon the part of the Lodge. The action of this Lodge in this case seems to your committee to have been irregular and in opposition to law. The law upon this subject is as follows. Section 9, Chapter 4 of the General Laws:

"Should a sick brother need the assistance of watchers at night, it shall be the duty of the Secretary, or either of the Committee of Relief, to cause notice thereof to be given to members of the Lodge, in rotation, as they stand on the roll-book, two for each night; and any member neglecting or refusing to perform such duty, shall be reported to the Lodge, and be subject to a fine of not less than one dollar, unless he gives a valid and satisfactory excuse, to be approved by a ballot vote of two-thirds of the members present. On such refusal being made, the next member in rotation shall be immediately notified. But if the Relief Committee is refused admittance to the house, or to visit the sick brother, it shall not be obligatory upon the Lodge to furnish watchers or pay the brother weekly benefits, until the restriction is removed."

No notice seems to have been given the brother that he was required to watch with the sick, and no opportunity for any excuse. It would be manifestly unjust to permit the punishment of a brother for a neglect of duty in not watching with the sick, when he had no notice that his services were required; besides this, a brother may be released from any penalty by giving a satisfactory reason for such neglect; but from the record in this case, no notice was given the brother that he was selected for such duty, and no opportunity given him to present an excuse. This summary process in regard to Bro Krueger was wrong. We therefore offer the following resolution

Resolved, That the action of Adullum Lodge, No 229, in assessing a fine against Bro. Martin Krueger for neglecting to watch with the sick be reversed.

Which was concurred in.

P. G. L. T. Michener, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Grievances and Appeals, to whom was referred the appeal from Muncie Lodge, No. 74, *vs*, John Shaw, beg leave to submit the following report:

Charges were preferred against Bro. Shaw, in which it was stated that he had not paid a debt for which John McConnel was surety; that McConnel paid the debt; that Bro. Shaw had afterwards taken the benefit of the bankrupt law, and has since then repeatedly promised said McConnel that he would pay him the money so paid for him by McConnel, but has failed so to do. Bro. Shaw objected to the sufficiency of the charges at every point. The committee reported adversely to him, and the Lodge refused to concur

in the report. The prosecuting witness appeals to this Grand Lodge.

It has been repeatedly decided that the failure of a brother to pay a debt is not a ground of charge against him. Proceedings May, 1883, p. 2070; Whites Digest, sec. 1298. It is also well settled that promises to pay such debts, do not, when broken, constitute a ground of charge against the debtor. White's Digest, secs. 1298, 1299. And this is true where such promises were made before or after going into bankruptcy. White's Digest, sec. 1299.

All such questions must be settled by the laws of the land and in courts of justice organized and maintained for that purpose. Our Order is not an organization or association for the collection of debts, nor for the punishment of those who do not pay their debts, except in case of deliberate fraud.

We recommend that the action of Muncie Lodge, No. 74, be sustained.

Which was concurred in.

P. G. L. T. Michener, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Grievances and Appeals to whom was referred the appeal of F. M. Hawkins, vs. Harveysburg Lodge, No. 339, beg leave to submit the following report:

This is another case where a brother was charged with failure to pay a debt. As has been held by this Grand Lodge in concurring in the report just read, the charge is insufficient in law, and the Lodge erred in expelling the accused.

We recommend that the action of Harveysburg Lodge, No. 339, in expelling Bro Hawkins be reversed; that the charges be ordered dismissed and Bro Hawkins be reinstated.

Which was concurred in.

P. G. Christian Fetta, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Committee on Grievances and Appeals, to whom was referred the appeal of Bro. J. F. Robbins against the action of Abington Lodge, No. 154, having investigated the same, now report:

1st. That charges of three paragraphs were preferred against Bro. Robbins—specifying first, associating with a woman of disreputable character against the will and consent of his wife.

2d That said associating with said woman has, within the last three months destroyed the peace and happiness of his wife by intimations and threats that he would destroy by his own hand his existence.

3d. By threatening to take his life in the presence of his wife and causing her to leave the house in an excitable state and flee to the nearest neighbor's house and ask permission to stay all night, May 14th, 1883.

The Examining Committee to which said charges were referred reported to the Lodge sustaining the first paragraph of said charges, and the second and third paragraphs were not sustained. And subsequently, to-wit: June 9th, 1883, said Abington Lodge sustained the action of their committee, and in voting on the different grades of penalties no penalty was agreed on.

This appellant appeals from the action of the committee in finding him guilty of the first paragraph.

The evidence tending to prove the guilt of the appellant on said charge, is so conflicting, and mostly hear-say, that your committee do not wonder at the action of the Lodge in refusing to inflict any penalty whatsoever on the accused. But as the time of his suspension (by operation of law) has expired, and the appellant has by said operation been reinstated, we recommend that the appeal be sustained and the case dismissed.

Which was concurred in.

P. G. Rep. C. P. Tuley, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Grievances and Appeals to whom was referred the papers and appeal of Bro. R. R. Green from the action of Allen Lodge, No. 540, located at Macy, Miami county, and State of Indiana, wherein Bro. R. R. Green was expelled by said Allen Lodge, No. 540, have made a careful examination of all the papers in our possession, which are quite voluminous; and we find that charges were preferred against Bro. R. R. Green, but no date given as to the precise time, but we presume about the 5th of June, 1883. Said charges consisted of eight specifications, and that the report of the committee sustained six of them and two not sustained. We have information through the N. G. of said Allen Lodge, No. 540 (but no papers to that effect), that Bro. Green asked in writing that he be granted a change of venue, on the ground that he could not receive an impartial trial on account of the bias and prejudice of some of the members of said Lodge against said Bro. R. R. Green, which request was not granted. Thereupon the N. G. appointed a committee of three members of the Lodge, two of said members being peers of the accused, the other member not his peer, as there were not enough members in the Lodge at the time that were peers of the accused that would serve on the committee. The time set for the trial by the committee was June 22, 1883.

So on June 22d, 1883, said investigating committee met at the hall of Allen Lodge, No. 540, I. O. O. F. The accused was present with Bro. J. M. Calvert as his attorney, and Bro. Chas. Farrar, as prosecutor for said Allen Lodge, No. 540.

Now, before the committee proceeded with the trial, the counsel for the accused presented a petition, signed by three members of the Lodge praying for a change of venue, according to Section 5, Chapter II., of the General Laws, as amended at the May Session, 1883, of the Grand Lodge of Indiana, found on page 2104 of May (1883) Proceedings. The committee held that they did not have the right to decide this point of law, and the N. G. of said Allen Lodge, No. 540, being present, the committee appealed to him for instructions. The Noble Grand refused to give an opinion, and referred the petition to the D. D. G. M., who also was present, who made a decision by stating that the petition was filed too late, it being fifteen or sixteen days after Bro. R. R. Green was notified of said charges.

Thereupon the Committee proceeded with the trial by reading the charges and specifications to the accused, to all of which he plead "not guilty." They then proceeded with the witnesses and held several sessions, having adjourned from time to time. And under date of August 10th, 1883, the Committee made their report to the Lodge, sustaining six specifications and two specifications not sustained.

Whereupon the Noble Grand stated that the report of the Committee would be made a special order for the next regular meeting of the Lodge; and at the next meeting, there being no appeal by the accused under the head of "Special Orders," the Lodge proceeded with the case. After reading the evidence, the Noble Grand stated the question, Will the Lodge concur in the report of the Committee? A ballot being spread the report was concurred in. The Noble Grand stated the next thing in order was to determine the penalty. The ballot was spread, and Bro. R. R. Green was expelled.

Now your Committee have given you a synopsis of the proceedings in this case, which covers about seventy-five pages of legal cap. We find that some of the witnesses outside of the Order did not sign their names to the evidence, although the Noble Grand of the Lodge, who was before the Committee of Grievances and Appeals, states that he thinks they were signed, still the transcript does not show it. They also sent to Terre Haute and took the deposition of a witness without notifying the accused that they proposed taking any evidence outside of the Lodge.

Your Committee also find, under the head of "Digest of Laws and Decisions," in the printed Proceedings of the May Session, 1883, of the Grand Lodge, the following under the head of "Change of Venue," to-wit:

"That three members of any Lodge in which charges are preferred against a member thereof, may pray a change of venue upon filing a statement in writing that they are of the opinion that the accused will not receive an impartial trial at the hands of his Lodge, or that justice will not be done to the Lodge or the Order."

Now as this does not state at what time the above shall be presented, your Committee conclude that at any time before the trial has commenced is sufficient. And we find a petition filed with the papers that had been filed with the Secretary of Allen Lodge, No. 540, asking for a change of venue as above, and properly signed by three members of said Lodge.

Now, in consideration of the above facts and the irregularities of some of the proceedings, your Committee would offer the following:

Resolved, That the appeal of Bro R. R. Green from the action of Allen Lodge, No. 540, be sustained, and that Bro. R. R. Green be granted a change of venue as desired in the former trial, and that said Allen Lodge proceed to trial according to law.

All of which is respectfully submitted.

Which was concurred in.

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Grievances and Appeals, to whom was referred the papers in the case of appeal of Samuel F. Judy, against the action of White Water Lodge, No. 41, have had the case under careful consideration and find as follows: Bro Judy was married to his wife, Margaret A., September 29, 1860, and they lived together as man and wife until about December 8, 1880, when after notifying his wife that he was going to leave her, he did absent himself from his home and family, and did refuse to live with his wife. By this marriage they had one child, a daughter, about seventeen years old when they separated. The evidence shows that he done very little toward the support of his wife after he left her, but he did to a considerable extent provide for his daughter, paying her board and sending her away to school. His wife says he was a good provider while they lived together, and there is not one word in the evidence to show that he was ever cross or abusive to his family. The evidence shows that she was a scold and for some time previous to their separation was jealous of him, and did get parties to watch him both at home and to follow him to this city to see if he went with other women, and in various ways made his home very unpleasant. They had a property worth from two thousand five hundred to three thousand dollars, with furniture worth about six hundred dollars, also a paid-up life insurance policy for \$858 00. That he left all to her, and he left her with nothing for himself. This happened in December, 1880. In May, 1883, nearly two and one-half years after, charges were preferred in his lodge for deserting his wife. A committee was appointed, evidence heard, charges sustained, ballot spread and Bro. Judy was declared expelled, and from this action of his Lodge Bro. Judy appeals. The only point in this case seems to be, is the offense of a man leaving his wife when he says he can not live with her in peace, such a crime as to merit expulsion from this Order, he living all the time in the same town or near to her, and having furnished her with all the means he possessed. Your Committee are clearly of the opinion that this is not such a crime

against our Order as to merit expulsion, we therefore offer the following:

Resolved, That the appeal of Samuel F. Judy be sustained, the action of White Water Lodge be reversed, and that Bro. S. F. Judy be reinstated without prejudice to either party.

Which was concurred in.

Your Committee on Grievances and Appeals, to whom was referred the memorial of H. W. Lease, formerly a member of Owen Lodge, No. 146, have had the same under consideration, and report that we find this brother was charged and duly tried by said Owen Lodge, July, 1879, and expelled, from which action he appealed to the Grand Lodge of Indiana, and at the November communication thereof the appeal was dismissed and the action of Owen Lodge sustained. From this action of this Grand Lodge no appeal was ever taken; hence, the matter has been fully and finally adjudicated. If this petitioner desires to become a member of this Order again he must come in the regular way.

The memorial is dismissed.

To the Grand Lodge, I. O. O. F., of Indiana:

The Committee on Grievances and Appeals, to whom was referred the appeal of Bro. N. B. S. Florander against Southport Lodge, No. 394, now report:

That May 16, 1883, charge of fraud was presented to said Southport Lodge against the appellant, specifying, first, that he had been trying to defraud Southport Lodge out of money by claiming to have been sick and totally disabled from December, 1882, to the present time

2d That he did obtain money by false pretenses from Mrs. ——— by proposing to pay her taxes, and he appropriated it to his own use, causing her taxes to become delinquent, and causing her much trouble and expense.

3d. That he did, on or about April 9, 1879, induce Bro. Harlan Richardson to sign a note as surety by stating to him falsely, and without authority, that certain other brothers would sign it.

There is a further specification based on a charge of idleness, stating that he had no visible means of support, and makes no exertion to obtain support for himself.

From the transcript of the proceedings of said Southport Lodge, it appears that on June 15th, 1883, at a regular meeting of said Lodge, the committee to whom the charges had been referred, made their report *not sustaining* the charges against Bro. Florander.

And subsequently, August 31st, 1883, the minutes show that the report of the committee on the Florander case was received by an action of the Lodge. The Noble Grand appealed from the decision of the committee, and the Noble Grand appointed our next Lodge meeting as the time for trial of the above case. On September 7th, 1883, Bro N. B. S Florander protested against further proceedings in his case, and filed his protest in writing. The Noble Grand decided to proceed with the trial, when, on motion, the trial was postponed to next meeting. Bro Florander gave notice that he would appeal to the Grand Lodge.

September 14th, 1883—Bro. Florander read and filed his appeal. On motion, trial postponed to next Lodge night.

September 21st, 1883—On next Lodge night, on motion, the trial was again postponed to next meeting night.

September 28th, 1883—The testimony in the Florander case was read before the Lodge, after which the ballot was ordered spread, the report of the committee rejected, and, after another ballot being had, Bro. Florander was declared expelled from the Lodge.

From this action of Southport Lodge, Bro. Florander appeals, and your Committee think the appeal well taken.

1st. The Lodge records do not show of any reason why action on the report of the committee was postponed from June 15th to August 31st, 1883, being some six weeks.

2d. The Lodge records show that the Noble Grand appealed from the decision of the Committee instead of the prosecuting witness, as the law demands. See section 17, in the Code for trials.

3d. That from the time, to-wit: June 15th, 1883, to September 28th, when final action was had, the delay was beyond all reason, together with other irregularities exposed by the transcript of the Lodge before us, all of which appears to the detriment of the appellant.

We, therefore, recommend that the appeal of Bro. Florander be sustained, the action of the Lodge reversed, and the cause remanded for new trial.

Your Committee on Grievances and Appeals, to whom was referred the appeal of P. G. Peter McClure, from the action of Tippecanoe Lodge, No 55, I. O. O. F., in expelling said P. G. Peter McClure from said Lodge, would beg leave to submit the following report, to-wit:

Complaint was made in open Lodge on the 9th of July, 1883, against said P. G. Peter McClure, of drunkenness, whereupon the

Noble Grand appointed an investigating committee. Said committee reported at the next stated meeting that they had found sufficient ground for charge of drunkenness against said Bro. McClure. The necessary charges were prepared, committee appointed, witnesses examined, the accused being present. The committee reported charges sustained. The Lodge sustained the report of the committee, and the ballot was spread and Bro P. G. Peter McClure was expelled. Now said McClure sends up his appeal to this Grand Lodge, stating that the evidence was not sufficient, and that the Lodge refused him a new hearing. He also claims ignorance in not making an appeal from the report of the Committee. He at the same time claims to be the only charter member of No. 55 now living, and that he joined the Order thirty-six or thirty-seven years ago. We also find that said Bro. McClure had been expelled once before, and that they had requested this Grand Lodge to grant them permission to reinstate him, which they did. And since that time he has been suspended by operation of law for the same offense two different times.

Your Committee find that the proceedings in all respects are fair and regular, and would therefore offer the following:

Resolved, That the appeal of P. G. Peter McClure be dismissed and the action of the Lodge sustained.

Your Committee on Grievances and Appeals, to whom was referred the papers in the case of appeals of Mrs. Samuel Ream, against the action of Mexico Lodge, No. 400, have had the same under careful consideration and find the same as follows:

This case has been before this Grand Lodge at different times, and at the May session, 1883, was referred to Mexico Lodge, with instructions to proceed and settle this case in accordance with Chapter IV, Section 16, of General Laws. The record shows that the committee was appointed and the case heard, and the committee reported Bro. Samuel Ream not entitled to benefits, because of immoral practices upon himself, and there the case closed, and from this action Mrs. Ream, by her attorney, appeals for the following reasons:

1st. That Mrs. Ream was made plaintiff in the case instead of defendant.

2d That one of the committee boarded with one of the brothers of Mexico Lodge during the trial.

To this your Committee would say that this Grand Lodge, at the May session, made Mrs. Ream the plaintiff in the case for her husband, Samuel Ream.

The second objection, as to points of law, we think are not well taken.

As to the merits or demerits of this case, this Committee does not wish to express an opinion. Our laws provide a form of settling cases of this kind. That law has been complied with, and this Committee has no jurisdiction in the case as to the matter of facts, and as to the matter of law, the law having been complied with, we would offer the following:

Resolved, That the appeal of Mrs Samuel Ream be dismissed, and the action of the Lodge be sustained.

At the last session of this Grand Lodge Bro. Meek petitioned this Grand Lodge to instruct said Seymour Lodge to furnish the necessary transcript and papers material in his case. The Lodge was so instructed. (See printed Proceedings, page 2103) From the transcript and papers in this case before us we find that the expulsion of said Meek was upon charges of which said brother had no notice. We therefore recommend that the action of Seymour Lodge in expelling Bro. Meek be set aside and the cause remanded for new trial.

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Grievances and Appeals, to whom was referred the appeal of Abraham Driesbaugh vs. Magnolia Lodge, No. 80, beg leave to submit the following report:

This case, in its different forms, has been before this Grand Lodge a number of times. See Proceedings November Term, 1880, p. 1314; May, 1881, p. 1434; November 1881, p. 1608; May, 1882, pp. 1708, 1730, 1806, and November, 1882, p. 1896, and has also been to the Sovereign Grand Lodge, where the accused was granted a new trial, the result of which was his expulsion. The charges are substantially as follows:

1. Contempt in failing to answer two communications sent to the accused by the Lodge in 1880.

2 In making a false statement in regard to his health at the time of his initiation.

This case has been hotly contested from the outset, and has been elaborately argued before this committee, many merely technical objections and questions being presented by both sides. We are of opinion that it is best to go to the marrow of this controversy, if possible, and that mere technicalities, if they have not probably prevented a fair trial to all concerned, or do not go to substantial rights, should not be considered in this Grand Lodge. Counsel for the accused, and also for the Lodge have asked us to consider some matters which do not appear in the transcript, but we can not do less than consider that the record speaks the truth and the whole truth. Pro. May, 1881, p. 1463. Therefore we decline to consider matters which do not appear in the record

The accused has lived for several years in Pennsylvania, and lived there before and at the time the charges were preferred against him. On the 21st day of February, 1883, the Lodge by registered letter addressed to the accused, notified him of the fact that the case would be tried in the Lodge hall, April 4, 1883, and enclosed him a copy of the charges.

At the time fixed the committee met, took some evidence and adjourned, at the request of the counsel of the accused, until the 20th day of April, 1883, neither the accused nor his counsel being present. The Committee notified by letter the counsel of the accused, Bro. J. E. Barrett, residing at Knightstown, Ind., some forty miles distant from Magnolia Lodge, that the trial of the case would be resumed April 20, 1883. At the date last named neither the accused nor his counsel appeared, and the committee closed the case, and reported the charges sustained.

Counsel claims that the committee had no legal right to proceed with the trial in the absence of the accused, but should have reported him for contempt in failing to appear before the Committee. We can not agree to this. Section 11, Chapter XI, of our General Laws does not apply to this case. That section applies to absconding brothers, and to those whose permanent residence or whereabouts can not be found. The same is true of the decision reported in White's Digest, Sec 1318. This Grand Lodge has decided that the trial may proceed in the absence of the accused if he has been duly notified. See Ind Digest, Sec 320.

In this case the residence of the accused was well known. He was not concealing himself or absconding. The law was fully complied with in notifying him of the time and place of trial, nearly six weeks in advance. In that time he could prepare for trial, be present himself or secure counsel, who could attend in his stead. The committee did not err in proceeding with the taking of the evidence on the 4th day of April, 1883, instead of reporting him for contempt. We think the committee was lenient with the accused in continuing the case to April 20, 1883, and notifying his counsel of the continuance. Even if the committee had reported that the accused was guilty of contempt in not appearing before the committee, that would not have disposed of the charges. The committee would have had to examine the witnesses in his absence, and make their report to the Lodge. Indiana Digest, Section 320

It is clear, then, we think, that the committee did not err in its proceedings. The committee reported that the specifications of

the charges were sustained. Counsel insist that the report is null because it does not find the charges sustained. We can not assent to this view. A report that the specifications are sustained is equivalent to a report that the charges are sustained and *vice versa*. The charges and specifications are but parts of a whole, and the specifications present the facts on which the charges are based. The committee, then, reported that the charge of contempt for failing to answer certain communications was sustained. The communications are as follows:

HALL OF MAGNOLIA LODGE, No. 80, I. O. O. F.,
FAIRFIELD, FRANKLIN CO., IND., May 3, 1880.

Mr. Abraham Driesbaugh and Family:

DEAR SIR AND BRO.: Again we have been called upon for sick benefits amounting to \$52.00, and we have responded to the call and sent Concordia Lodge the above amount, less one year's dues and visiting card.

In this letter to you we propose to speak the plain facts in reference to your demands upon us as a Lodge. We think you are demanding of us an amount of money far beyond what would be necessary to keep you comfortable, when we take into consideration the amount of property you have and only a wife and one child to provide for, and a father living here in our midst with plenty of this world's goods and to spare. We do think your demands upon us are unreasonable and unfair. Your disease, as we learn, was contracted before you were admitted to our Lodge, and as your physician certifies quarterly, you are gradually wearing out from old age, or, as he terms it, general debility. We have an old physician, a regular member in attending our Lodge meetings, who confesses he does not know what your physician means by using the term "general debility." He thinks there is something kept back which might explain more fully the nature of your sickness. You are only an initiatory member, but you must know, even as an initiate, that your demands upon us are contrary to the teachings of our beloved Order, which is not a mere beneficiary society, as you seem to think. Let me explain to you the financial condition of our Lodge. For instance and for fact, we have a membership of fifty paying members, which pays into our treasury every year \$5 20 each. The amount is, if all collected, \$270. Your demands on us are four dollars a week, amounting to \$208, leaving only the small balance of \$62 to run our Lodge on per year.

We have come to the conclusion that something must be done to lessen our expenditures or we will have to surrender our charter. Yours is not the only case we have, for we have four widows and twelve children to provide for. But I must say we can not do them justice for want of funds.

Now, Bro Driesbaugh, in view of all these facts, what will you do? Will you continue to draw on us, or will you not give us a little rest and time to build up a little. I have been instructed by our Lodge to give you the feelings and wishes of all our members, and the above is the sincere desire, namely: that you withhold your demands upon us for weekly sick benefits. We

sympathize with you, Bro. D, as you must know from the past; but the future looks dark to us financially.

The Secretary of Concordia Lodge once said you were placed upon the county as paupers. Was it so? We have no reason to dispute our brother's word, but your father-in-law said to us that the statement was false. We understand that he is made acquainted with your affairs regularly through your wife, Mrs. D

Please answer our communication immediately, as we are anxiously awaiting a reply from you.

Yours in Friendship, Love and Truth,

ALLISON LOPER,
Secretary of Magnolia Lodge, No. 80.

FAIRFIELD, IND., June 26, 1880.

By order of Magnolia Lodge, No. 80, I. O. O. F.:

BRO. A. DRIESBAUGH—*Dear Sir:* I wrote you some two months since in reference to the financial condition of our Lodge, but have received no answer yet. We can not last much longer as a Lodge unless we can curtail our expenses. Our membership is gradually decreasing, numbering at this time only fifty-four. Bro. D. your Lodge has done for you more than all the rest of its members combined (since the date of your first sickness), and now, in these times of our financial embarrassment, we ask of you to please withhold your demands upon us for the present. We are always willing and ready to pay our brothers' sick benefits, but, Bro D., you must see at a glance that you are receiving *all, every dollar* of the money that is being paid into our Lodge. Members are complaining about it and leaving the Lodge on account of it; others that would come into our Lodge will not, knowing the peculiar circumstances the Lodge is placed in. In addition to your demands, we have several deserving widows and a number of orphan children to provide for, and to which we owe just as much as to others; but owing to this constant drain upon us we are unable to see to them. I would make a suggestion that you apply to your father-in-law for help, this coming year, and give us a little time to replenish our treasury. He is able, and no doubt willing, if you would only ask it. Give him a full statement as to how you have been helped along by your Lodge, and that you would like to give them a little rest, and your Lodge would feel grateful to you if you could in any way possible make such an arrangement. Please answer this, our second letter to you, immediately, as the entire Lodge are anxious to know how the matter will end.

Hoping the Giver of all good will restore you to health and prosperity, we remain, Your Brothers in F., L. and T.

By order of the Lodge.

ALLISON LOPER, *Secretary.*

These letters were sent to the accused at his home in Pennsylvania. No answer was received by the Secretary or the Lodge. They were not seen afterward by the Secretary or the Lodge until returned to the Lodge by the Secretary of this Grand Lodge after the new trial was granted by the Sovereign Grand Lodge, and the Grand Secretary received them from Bro. Driesbaugh. So it is clear that they were received by the accused. The latter letter was written June 26th, 1880, and the charges were preferred July 28th,

1880. We think these letters were properly sent to the accused by the Lodge, and that he was guilty of contempt in not answering them.

We think it is also clear that the accused received ample notice of the time fixed for the trial, April 4th, 1883. The notice was properly mailed to him in a registered letter, February 21st, 1883; the Lodge received a letter in regard to the matter from Concordia Lodge, No, 60, in Pennsylvania, located near the accused, and it is not denied by the accused or his counsel that such notice was duly received, and the counsel of the accused by letter dated March 29th, 1883, asked that the case be continued until April 20th, 1883. The letter from Concordia Lodge, No 60, requested Magnolia Lodge to send a Commissioner to that place to take the evidence of the accused, which Magnolia properly refused to do. It was incumbent on the accused and not the Lodge to see that his evidence was taken, as provided by Section 5, Chapter XI, of the General Laws. If the accused did not receive the notice, why did Concordia Lodge make this request? and why did his counsel ask such continuance?

We think that the evidence fully sustains the charge that the accused had fraudulently misrepresented the state of his health to the Lodge when he was initiated

Abraham Wagner testified as follows:

"I was a member of Magnolia Lodge, No. 80, I. O. O F., in 1870, and prior thereto. Was acquainted with Abraham Driesbaugh prior to his admission to the Lodge. He worked for me early in the spring and summer before he was admitted into this Lodge and also the fall before, probably two or three months altogether. He was complaining of being in poor health nearly all the time he remained with me; complained of his breast and side, and said he thought he was consumptive. Told me the cause of his bad health: that he and his first wife had trouble, that she had bewitched him, and one night rode him around the clover field, causing him to take a violent cold. He seemed superstitious, and attributed his sickness to superstitious means. Because of his poor health he did not work every day, nor seldom all day, when working at all, but labored a part of the time, not being able to work steadily; his side and breast hurting him, he said, too much to labor steadily. He complained of his lungs and had a cough, and said he was not able to work all the time, and that I could keep an account of his time and pay him accordingly, but I let him keep the time himself. At that time I did not regard him a sound man or in good health. Was not present at the Lodge on the night that his petition was presented, or when he was either balloted for or initiated. Can't remember now why I was not present on said nights, but suppose it was either because of the river being past fording, or because it was in commencement of barley harvest, or because at that time I could not well ride horseback. Had I been present, I should have voted to reject Abraham Driesbaugh on account of his physical infirmities. Resided at that time two and one-half miles from Magnolia Lodge, and was working then at the McIlwain Farm, two miles from home and four and one-half miles from Magnolia Lodge. I severed my connection with Magnolia Lodge voluntarily, and personally entertain friendly feelings toward the Lodge and toward Abraham Dries-

baugh. I did not regard him at that time able to do a continuous week's labor, because he was not stout enough. I know that his cranky notions about what caused his sickness arose from superstition, and had nothing to do with his feeble health, but he was feeble and attributed his sickness to these foolish causes."

Benjamin Kelly testified as follows:

"Am a member of Magnolia Lodge, No. 80, I. O. O. F., and have been for over twenty years. Am acquainted with Bro. Abraham Driesbaugh; became acquainted with him something over a year before his admission into Magnolia Lodge. Knew him first in Wayne county; supposed then he was in ordinary health; thinking so, I was one who recommended his admission when making application for membership. I soon found, however, that I was deceived about his being in ordinary health. Upon close acquaintance, he having lived in my house near by my residence, where he moved about the time he made application for membership into this Lodge, I soon found he was broken down in health, and not able to do manual labor steadily. Could work one, two or more hours some days, and on others was unable to do any. I regarded him, after working with him at times, as a confirmed invalid, and incapable of enduring the fatigue that any great exertion produces. He often complained of his breast hurting him, and often said in my presence that he was not able to work. I did not know when he resided in Wayne county but what he was stout, neither did I know when he first moved near me, nor until I had occasion to employ him to do some work in putting up a frame shed that forms a part of my barn, did I know that he was not stout, and unable to do manual labor, but the information obtained by personal knowledge came too late to benefit the Lodge by any objection of mine against his admission; but was deceived in the man, and believed then as I believe now, that he was in poor health at the time he obtained admission to the Lodge, and had been an invalid for some time previous to that date."

This was all the oral evidence given concerning his health. How does it compare with this question put to the accused before his initiation, and the answer, viz.: "Are you, so far as you know, in sound health? Answer: Yes." The evidence makes a clear case of fraud.

Counsel insists, however, that the Lodge was estopped to entertain such charges after the accused had been a member of the Lodge about ten years.

It is well settled that if a person, when initiated into the Order, fraudulently misrepresents his physical condition, when discovered, *the fraud can be inquired into even after the death of the brother.* Ind. Dig., sec. 341; White's Dig., sec. 99. This being the law, it is clear that the fraud may be inquired into during the life of the brother who is accused of such fraudulent misrepresentation. It does not appear that the Lodge had any notice or knowledge of the previous condition of the accused until less than three months before the charges were preferred. The mere fact that one of the brothers of the Lodge had knowledge of the previous health of the accused can not prohibit the Lodge from entertaining the charges when legally preferred by a member of the Order or the Lodge.

The negligence of the brother or brothers of the Lodge possessing such knowledge, in failing to immediately present charges, can not prejudice the Lodge or preclude it from acting when the charges are preferred in the regular way.

The counsel of the accused also claims that the Lodge should have considered as evidence the affidavits filed in this Grand Lodge when he memorialized it at the May Session, 1881. In answer to this we submit: 1. It does not appear that the affidavits were ever presented to or laid before Magnolia Lodge in any way, or at any time, by the accused, or his counsel, or any one else 2. The affidavits were not such evidence as is contemplated by Section 5, Chapter XI, of the General Laws. The Lodge did not err in not considering the affidavits, if such is the case, though the record is silent in regard to the matter.

We recommend that the action of Magnolia Lodge in expelling the accused be sustained.

The Finance Committee, after carefully considering the condition of the finances of this Grand Lodge, believe a further reduction of percentage from Subordinates to the Grand Lodge can be made, and would offer the following:

Amend Section 1, Chapter X, to read as follows: Section 1. Each Subordinate Lodge shall pay semi-annually to the Grand Lodge the sum of five per centum on all amounts received for initiations, depositing and drawing cards, for degrees, for regular dues and fines, at the *minimum* rates fixed by the Grand Lodge. But the Grand Lodge shall not have claim on any part of sums raised by special or funeral assessments, nor donations, nor interest upon investments. In case the Grand Lodge funds required for necessary expenditure become exhausted, all Subordinate Lodges shall be subject to pay a *pro rata* tax sufficient to raise the amount necessary for the purpose stated.

To the Grand Lodge, I. O. O. F., of Indiana:

Amend Section 16, Chapter IV, of the General Laws, by striking out of said section the following: "The decision of the committee shall be final in all matters of fact, but as to matters of law," and in its stead insert: "From the finding and decision of the committee after it has been finally acted upon by the Lodge." Also, strike out the following: "From the report of the committee."

At the call of the chairman, the committee shall meet in the hall of the Lodge interested, shall examine all the papers and records in the case, and hear new evidence and argument, if offered. The Lodge interested shall pay the actual expenses of the committee.

Which was concurred in.

P. G. Rep. James Pierce, submitted the following resolution:

To the Grand Lodge, I. O. O. F., of Indiana:

Resolved: That the exemplification of the unwritten work be set for to-morrow morning at 10 o'clock, and the nomination and election of officers to take place immediately thereafter.

Which was concurred in.

P. G. C. E. Zimmerman, submitted the following resolution, which on motion was referred to the Committee on the State of the Order:

To the Grand Lodge, I. O. O. F., of Indiana:

Resolved: That there be a committee of five appointed to take into consideration the advisability of instructing the Representatives to the Sovereign Grand Lodge to present to that Grand Body the subject of adopting a Youth's Degree and form of organization for Youth Degree Lodges, for the admission of youth of fifteen years of age and over. To make report to this Grand Lodge at the next May session.

P. G. Rep. W. H. DeWolf, from the Committee on the State of the Order, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on the State of the Order, to whom was referred so much of the Grand Master's report as relates to the office of Grand Instructor, beg leave to report that we have considered the same in connection with the report of the Grand Instructor, and in our opinion that officer has accomplished a good work in this jurisdiction in creating a greater interest among the members, and establishing more uniformity and perfection in the work. We therefore offer for adoption, the following:

Resolved, That the Grand Master shall appoint some competent member of this Grand Lodge, who is well acquainted with the unwritten work of the Order, who shall be known as the Grand Instructor, and whose duties shall be the same as heretofore defined by the former action of this Grand Lodge.

Which was concurred in.

P. G. Rep. W. H. DeWolf, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on the State of the Order, to whom was referred the report of the Grand Representatives, beg leave to report that we have read with much interest the very full and able report of our Representatives to the Sovereign Grand Lodge. There is much in the report that is of interest and profit to every member of the Order in this jurisdiction. We therefore offer the following:

Resolved, That the Noble Grands of the various Subordinate Lodges in this jurisdiction be requested to read in open Lodge the report of our Representatives to the Sovereign Grand Lodge.

Which was concurred in.

P. G. Rep. Schuyler Colfax, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Committee on the State of the Order, to whom was referred so much of the Grand Master's report as refers to the organization known as the Patriarchal Circle, and his action thereon, respectfully recommend that the Circulars prepared and issued by the Grand Master, notifying all the members of this jurisdiction of the resolutions of the Sovereign Grand Lodge and the circulars of the Most Worthy Grand Sire in regard to that organization, should be confirmed and approved by this Grand Lodge. The Sovereign Grand Lodge having established and officially promulgated to the Order a Degree for Uniformed Patriarchs, covering practically all the ground claimed by the Patriarchal Circle, our brethren who desire to enjoy the benefits of such an organization, should connect themselves with the Uniformed Degree Camps, the only official Degree of the kind recognized by the supreme authority in Odd Fellowship. The jurisdiction of Indiana, with its tens of thousands of Odd Fellows, always loyal to the Sovereign Grand Lodge, can speak with no uncertain voice on this question. And our Grand Master is entitled to our thanks for so promptly and fraternally notifying all our members that obedience to the mandates of the Sovereign Grand Lodge is the highest duty of every faithful Odd Fellow.

The Committee are happy in being able to state that since the stringent resolutions of the Sovereign Grand Lodge, and the official proclamations to which we have referred, the Supreme Temple of the Patriarchal Circle, at their recent meeting in Milwaukee, responded to the action of the Sovereign Grand Lodge by abolishing the requisition in their laws of membership in our Order as a qualification for membership in the Circle, and also gave up the wearing of badges of Odd Fellowship. And, this having been done, we think that Indiana should now counsel harmony, and the cessation of all ill feeling in regard to this matter. We should rejoice to have all of its members connect themselves with our Uniformed Degree Camps, for we realize that those who connected themselves with the Circle, when there was no degree of that kind in Odd Fellowship, numbered amongst their membership some of our most active, energetic and enthusiastic brethren, and often added to the interest of our out-door celebrations as uniformed escorts, etc. But, if the Circle have complied with the demands of the Sovereign Grand Lodge, we urge that all discord in regard to the past shall now cease. We can not consent that any Odd Fellow, who is loyal to the Order and faithful to its principles, should be expelled; and, much as we would be gratified that all the Circle members should join our Uniformed Degree Camps, we can not refuse to allow our members to become members of other organizations not connected with Odd Fellowship. We desire, therefore, that there may be no

more harsh words on either side, but that on the contrary there may be every effort hereafter to allay the ill feeling on the subject that has so unfortunataly been manifested.

Which was concurred in.

P. G. Theo. Stackhouse, from the Legislative Committee submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Legislative Committee, to whom was referred the recommendations of the Grand Master in relation to the reduction of fees for degrees, have had the same under consideration, and recommend that Section 1 of Chapter VII, be amended by striking out the word five in line seven and inserting in lieu thereof the word three, which section will then read as follows:

"Section 1. It shall be the duty of the qualified Officers or Past Officers of Subordinate Lodges to confer the First, Second and Third Degrees, and Degree of Rebekah, upon any qualified member in good standing, and who shall be duly recommended by their respective Subordinate Lodges according to the formula prescribed by the Sovereign Grand Lodge, I. O. O. F., and they shall charge for the same the sum of not less than three dollars for each of the regular degrees, which shall be paid into the treasury of the Subordinate Lodge in advance."

Laid on the table until to-morrow.

P. G. Rep. J. W. McQuiddy, from the Legislative Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Laid over until to-morrow.

P. G. Rep. J. W. McQuiddy, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Legislative Committee to whom was referred that portion of the report of the Grand Master, relating to trial of members who have not attained the Third Degree, when appeal has been taken to the Lodge, have considered the same, and approve the

decision of the Grand Master in the premises. Your Committee have consulted the proceedings of the Sovereign Grand Lodge for a decision on the point involved, but have failed to find any action. The position of the Grand Master, however, is so in accord with common sense, that we recommend that it be the rule of this Grand Lodge, in order that every member, of whatever degree, may have opportunity of being in his Lodge during his trial, when an appeal is taken to the Lodge.

Which was concurred in.

P. G. Wm. Farrell, from the same committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Legislative Committee, to whom was referred the appeal of Bro S. W. Jones, from the decision of the D. D. G. M., of Mt. Vernon Lodge, No. 49, has had the same under consideration, and report as follows:

The papers on file in this case show the following facts: At the last meeting of Mt Vernon Lodge, No 49, in June, 1883, a motion was made to go into the nomination of officers for the ensuing term, which motion was, by the Noble Grand, held to be out of order, and Section 3, page 1556 of 45th Annual Communication of this Grand Lodge was cited as authority for such ruling. An appeal from the decision of the Noble Grand was had to the Lodge and the ruling of the Noble Grand was overruled, who then appealed from the decision of the Lodge, and the D. D. G. M. sustained the ruling of the Noble Grand, and Bro. Jones thereupon appealed from the decision of the D. D. G. M.

From the facts above stated it appears the Noble Grand and D. D. G. M. were led into error by the report of the Grand Representatives to the Sovereign Grand Lodge of the U. S. to this Grand Lodge, in which they quote a section from "The Constitution for Subordinate Lodges" of another jurisdiction

Section 6, Chapter III, of the General Laws of this Grand Lodge, provides that nominations for elective officers may be had on the two preceding nights and *on* the night of the election.

Your Committee are therefore of the opinion that the appeal of Bro. Jones should be sustained, and the decision of the D. D. G. M. should be reversed.

Which was concurred in.

P. G. Rep. W. R. Myers, from the Legislative Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

P. G. W. Y. Monroe, from the Legislative Committee, made the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

The Legislative Committee, to whom was referred the following query of Grand Master Oyler:—

“NEW ROSS LODGE, No. 397.

“NEW ROSS, IND., NOVEMBER 21, 1883.

“At the time when the work of Subordinate Lodges was changed from the initiatory to the third degree, our Lodge conferred all the degrees upon several of its members, without their paying for the same, but with the understanding that they were to pay for them as soon as able so to do. One of these brothers, not having paid for the degrees, asks for a withdrawal card, to be written in the third degree.”

Question—Can said brother compel the Lodge to grant him a card in the third degree until he shall have fully paid for the same?

S. P. OYLER, G. M.

Have considered the same, and report as follows:

That a Lodge at all times has the right to refuse to grant a brother a withdrawal card. A ballot must be taken before a card can be issued, and if a majority of the members vote a black ball the card can not be issued. The card, if issued, however, must be as a member of the Third Degree. If the agreement with the brother was that he should pay for the degrees at some future time, he would not be entitled to a certificate of resignation until he has paid for his degrees, according to agreement.

Which was concurred in.

P. G. Wm. Farrell, from the Legislative Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Legislative Committee, to whom was referred the resolution of P. G. John Walz, instructing the Representatives of this Grand Lodge to the Sovereign Grand Lodge, to vote and assist in bringing about a change in the work so as to transact all regular business in the First Degree, have considered the same, and report as follows:

Your Committee are of opinion that the change made by the Sovereign Grand Lodge, in 1881, transferring the business of the Lodge from the Initiatory to the Third Degree, was a wise movement, and has met with the approval of four-fifths of the Odd Fellows of the country, and should not be disturbed by substituting the First Degree for the Third Degree.

We, therefore, ask to be discharged from further consideration of the subject.

Which was concurred in.

P. G. A. C. Daily, from the Committee on Finance and Accounts, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Finance and Accounts would recommend that the Committee on Grievances and Appeals be allowed the annexed sums for services at the present session of this Grand Lodge:

J. B. Kimball.....	\$15 25

P. G. J. B. Kenner, from the Committee on Grievances and Appeals, submitted the following

R E P O R T :

To the Grand ,Lodge, I. O. O. F., of Indiana:

Your Committee on Grievances and Appeals, to whom was referred the papers and appeal in the case of Bro. W. F. Denny against Augusta Lodge, No 511, and appealed by Augusta Lodge, have had the same under consideration, and report that the case is a claim of Bro. Denny for sick benefits; the claim was referred to a committee of three, under the law for the adjudication of cases of benefits; and said committee met, and, after hearing the evidence, reported that said Bro Denny was entitled to receive benefits from June 24th, 1882, to September 16th, 1882, twelve weeks; also, from January 7th, 1883, to March 24th, 1883, ten weeks. The Lodge appeals from that part of the report awarding the last ten weeks, they having paid the twelve weeks.

We find from the transcript of the Lodge records that the brother never, at any time, made any claim of his Lodge for this ten weeks, and until there is a demand by a brother of his Lodge, and a refusal, there can be no appeal to a committee. The law provides that: "In all cases of difference between a Lodge and a member in regard to the payment or non-payment of benefits," an appeal may be taken to a committee. Bro. Denny must first demand his benefits from his Lodge

We express no opinion as to the right of Bro. Denny to these benefits; they may be justly due him, and his Lodge may pay them if proper, if he demands them.

We, therefore, sustain the appeal of Augusta Lodge as to so much of the report of the committee as awards the ten weeks' benefits.

Which was concurred in.

P. G. J. B. Kenner, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee, to whom was referred the papers and appeal of Bro. Benjamin F. Neely against the action of Yorktown Lodge, No. 345, in expelling him, have had the same under consideration, and report as follows:

The transcript is very voluminous, comprising sixty pages. The charges and specifications are as follows:

I hereby charge Bro. B. F. Neely with attempting to defraud this Lodge by withholding property from this Lodge that rightfully belongs to said Lodge.

Specification 1st. That on or about the 5th of March, 1883, the said Neely did sell and convey the undivided two-thirds interest in

lot No. 33, in the town of Yorktown, Indiana, to said Lodge by warranty deed, and at the time of said sale he, the said Neely, held a note of hand against Bro. John Moreland of \$50, for rent of said property in advance, and being asked by the Trustees of said Lodge if there were any claims against said property, answered there were not.

Specification 2d. That he received from the Trustees of said Lodge, in part payment for said property, one note of hand, payable on or before the first day of May, 1883, calling for \$466.66, with 6 per cent. interest from date, and on being offered the money for said note, utterly refused to receive the same, thereby causing the said Trustees to pay unnecessary interest, besides an unnecessary loss of time and expense.

Specification 3d. That at or about the time, to-wit: March 9th, 1883, he was asked by said Trustees why he acted so in regard to the money and the Moreland note, and he said he did it on purpose to beat the Lodge.

Charge 2d. I hereby charge Bro. B. F. Neely with violating his obligations as an Odd Fellow.

Specification 1st. That on or about the 9th day of February, 1883, he did then and there try to injure the financial standing of Bro. John Moreland by making false representations to wholesale men.

Specification 2d. That he did try to create bad blood between Bros. Moreland and Allen by trying to make Bro. Moreland believe that it was Bro. Allen that made the false statements.

Specification 3d. That he has repeatedly, since the 5th day of March, 1883, said that the whole Lodge was nothing but a set of ——— thieves and swindlers, and that he had the advantage of them, and intended to keep it.

Upon these charges and specifications the brother was tried and expelled, and from that action he appeals.

Your Committee are of the opinion that the first charge and specifications thereunder are not sufficient; and do not charge properly any offense against the laws of our Order. And as to the second charge and specifications, the evidence before us fails to sustain them, and is too meager to warrant an expulsion from the Order.

The charges and the evidence in the case seem to indicate a desire upon the Lodge to discipline the brother for what they deem improper conduct. Some bad feeling seems to exist between the Lodge and the accused, growing out of a business transaction between them, the brother, Neely, feeling certain that the Trustees were trying to injure him, and they thought the same of him, and some intemperate language was used.

Bro. Neely then removed to the west, and at once, and during his absence, these charges were preferred, and he was tried and expelled. He heard of this action, returned, and demanded a new trial. This was accorded him, with the same result.

Upon the whole, we deem the action of the Lodge wrong, and therefore offer the following:

Resolved, That the action of Yorktown Lodge, No. 345, in expelling Bro. B. F. Neely, be reversed, and that the charges be dismissed.

Which was concurred in.

P. G. Christian Fetta, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Committee on Grievances and Appeals, to whom was referred the appeal of Bro Julius Dufour against the action of Phoenix Lodge, No. 182, in considering the minority report of a committee on charges preferred against Bro E. E. Long, now report. In this case charges were of embezzlement and wronging brothers, with specifications fully setting forth said charges. The charges were referred to a committee of three for investigation. The committee made a minority and a majority report.

The minority report is, that the evidence clearly shows that there was no intent on the part of Bro. E. E. Long to withhold any money from the city, or to wrong or defraud the brothers named in the charges.

The majority of said committee report: After careful consideration of the evidence adduced, find the first charge, of embezzlement, sustained, and the second charge, of wronging brothers, sustained.

The transcript before us shows that June 30th, 1883, the above reports were duly considered, and the following action taken by said Phoenix Lodge:

The Noble Grand stated the order to be the question, "Shall the report of the minority of the committee be adopted by the Lodge?" Objection to that course was made, protested against, as it cut off any appeal to the Lodge from the committee, so that the evidence could be read; that no authority for such a course could be found in the General Laws or Digest, and was not respectful to the committee.

The report of the committee was not considered or voted upon at all.

A ballot vote was taken on the question, "Shall the report of the minority be adopted?" decided in the affirmative, and so declared by the Noble Grand.

The Noble Grand announced that the prosecuting witness prayed an appeal to the Grand Lodge from this action of the Lodge, and from said action and decision Bro. Julius Dufour appealed. Said appeal is in writing, and is as follows, to-wit:

To the Secretary of Phoenix Lodge, No. 182, I. O. O. F.:

The undersigned, prosecuting witness in the matter of charges against Bro. E. E. Long, whereby said Long is charged with embezzlement and wronging brothers, has prayed an appeal in said case

from the action of the Lodge thereupon, for the reason that the Lodge refused to vote upon the report of the Committee, but instead thereof voted upon what was called a report of the minority of the committee, without causing the evidence in the case to be read to the Lodge, as required by Law. See Digest, sec. 975; and Rule 19 of the Code of Conducting Trials. Appendix General Laws.

[Signed], JULIUS DUFOUR.

And thereupon the same was read, and the Noble Grand and Secretary, under the direction of the Lodge, filed an answer thereto in writing, which is as follows, to-wit:

VEVAY, IND., NOVEMBER 17th, 1883.

To the Officers and Members of Phoenix Lodge, No. 182, I. O. O. F.:

The undersigned, by direction of said Lodge, for answer to the statement of appeal filed by Julius Dufour, in case of Bro. E. E. Long, say:—

That there are such errors and irregularities in said case as are set forth in said statement of appeal, and the objections made in the statement are well taken. We are of the opinion that Bro. Julius Dufour's appeal should stand, and that the laws, as referred to by him, were set aside and ignored by the Lodge, and that no action was taken upon the report of the Committee, as required by Rule 19, page 70, Appendix to General Laws. Therefore, as before stated, we are of the opinion that Bro. Dufour's objections are well taken, and the appeal should be sustained.

In witness whereof we have hereunto set our hands and seal of the Lodge, this 17th day of November, 1883.

Attest:

ABNER P. DUFOUR,
Secretary.

D. W. TRAFELET,
Noble Grand.

The Lodge in this case erred in not considering the majority report, although the minority report could have been substituted upon motion in lieu of the majority report. With reference to this question, we beg leave to call your attention to the answer of the Legislative Committee, made and reported in November proceedings, 1860, page 1741, of which the Section, 975, Digest, is only a part.

In case of two reports on a charged brother, one a majority and the other a minority report, what course should the Lodge pursue?

Answer—Your Committee say that the Lodge can only act on the majority report, as that is the report of the Committee, though the Lodge may, on motion, amend the majority report by substituting, in lieu thereof, the minority report. Unless this is done, no action is necessary upon the minority report at all.

We therefore recommend that the appeal against the action of said Phoenix Lodge be sustained, and the cause remanded, with instruction to said Lodge to set aside and ignore all proceedings up to and including the adoption of said minority report. And that the said Phoenix Lodge is hereby further instructed to proceed to

take such action upon the said minority and majority reports as required by the laws, in such cases provided, and to decide upon said reports and render such verdict as in their judgment may seem best.

Which was concurred in.

P. G. J. B. Kenner, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Grievances and Appeals, to whom was referred the papers and appeal of Bro. Noah W. Sowerwine against the action of a majority of a committee and Arcadia Lodge, No. 367, in refusing him sick benefits, have had the same under careful consideration, and report that this is a claim for sick benefits, and upon a refusal of the Lodge to pay the same, a committee was duly selected under the law to consider the same.

The Committee met, and after hearing the evidence, two of the Committee made a majority report against the claim, and the third brother filed a minority report holding that the brother was entitled to the benefits. The Lodge rejected the minority report and adopted the majority, and from this report and action he appeals.

The majority report finds, among other things, that the brother, though unwell, was not sick enough to entitle him to benefits, and that he could partially attend to his business during the month of September, 1882, and that he became delinquent on the 30th of September, 1882.

The facts in this case, as we have been able to gather from all the evidence in the case, are about as follows:

Bro. Sowerwine was engaged in the business of selling sewing machines in Noblesville, Indiana, but was a member of Arcadia Lodge, some distance away. He claims he became sick on the 16th of September, 1882, while the Lodge claims he became sick some time in October, 1882. It is agreed all around that by failing to pay his dues on the 30th of September, he became delinquent. And if he became sick before the evening of September 30th, 1882, he is entitled to benefits; if his sickness occurred after September 30th, he is not entitled to benefits. The Committee find that he became sick (they say unwell) before September 30th, 1882.

Therefore, your Committee are of opinion that, in order to determine the question of how sick he was, we are required to look into the evidence in order to pass upon the question whether or not the law was properly applied. The only question, then, to determine is, was the brother so sick before September 30th, 1882, as to entitle him to sick benefits?

A great deal of evidence was heard in the case, but the evidence upon which your Committee relies most is his family physician and those about him at the time he took sick.

Dr. J. M. Gray, of Noblesville, who is an Odd Fellow, testified that he prescribed first for the brother between the 15th and

24th of September, 1882, and that from the first he was suffering with typhoid, which resulted in enteric fever, and that the brother was not capable of attending to his usual avocation, neither mentally nor physically. Three other witnesses sustained and corroborated the physician's testimony. A good deal of stress is put upon the fact that the brother was not in bed until several weeks after his sickness began, and it is claimed by the Lodge that he partially attended to his work. The brother seems to have been plucky, and refused to take to his bed until he was prostrated. He would go to the office at times, and give directions as to work there, and did some other trivial matters, but that he employed men to attend to his business is in evidence. But that he was sick, and very sick, we have no doubt, as in several weeks thereafter he was thoroughly prostrated, and remained very sick for several months.

We are of the opinion that the report of the Committee declaring the brother entitled to no benefits, and the law, as applied to the facts found, was erroneous. The brother was probably not entitled to as much benefits as he claimed, on account of his own neglect in notifying the Lodge at once upon his sickness, but your Committee believe he is entitled to benefits, how much we do not pretend to say, probably from January 1st, 1883, but this will be determined by a new committee.

We therefore offer the following resolution:

Resolved, That the action of the Committee, and the action thereon of Arcadia Lodge, No. 367, in the claim of Bro. Sowerwine, be reversed and remanded, with instructions to investigate this claim of Bro. Sowerwine by a new committee, selected under Section 16, Chapter IV., of General Laws, in accordance with this report.

Which was concurred in.

P. G. J. B. Kenner, submitted the following resolution:

Resolved, That on account of the arduous labors of the Committee on Redistricting the State, they be allowed per diem and mileage for two days; and the Grand Secretary is hereby authorized to draw warrants for the same. This to apply to each member of the committee not an accredited Representative.

Which was adopted.

G. Rep. Will Cumback, submitted the following resolution:

Resolved, That the usual number of copies of the proceedings of this Communication be printed, and the Grand Secretary be authorized to draw a warrant on the Grand Treasurer for the payment of the same.

Which was concurred in.

G. Rep. Will Cumback, submitted the following resolution :

Resolved, That the Grand Secretary is authorized to receive bids and make contract for the publication of one thousand copies of the General Laws, in German; the translation to be furnished to the publishers free of cost to Grand Lodge.

Which was adopted.

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Petitions and Applications, to whom was referred the following petitions of Lodges for the re-instatement of expelled brothers herein named, to-wit: Stewart Lodge, No. 179, Burt Edrington; Frankfort Lodge, No. 108, James D. Shaft; Goodland Lodge, No. 346, F. M. James; Knightstown Lodge, No. 99, M. J. Scuffell. Which was concurred in.

P. G. J. O. Pedigo, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Petitions and Applications have had under consideration a memorial from certain members of Philadelphia Lodge, No. 312, to change the location of said Lodge to New Boston, a village about four miles south of its present location. The petition is signed by twenty-seven members of the Lodge, which is a majority of said Lodge. We find, by the last report of said Lodge, there was a membership of thirty-six members in good standing. We find, upon investigation, that a large majority of the members of the Lodge reside in the immediate vicinity of said proposed location. It is claimed by the petitioners that it is inconvenient for them now to attend, on account of distance; that there is a lack of interest in the Order manifest by the members adjacent to its present location; that the success of the Lodge mainly depends on the members residing in the vicinity of South Boston, the proposed new location. The petitioners further claim the sum of \$200, subscribed to aid them in erecting a new lodge hall at South Boston. We further find, presented by said petitioners, a petition signed by thirty citizens not members of the Order, residing in the vicinity of South Boston, asking that the Lodge be located at that place; thus showing to your Committee a friendly feeling toward the Order in that vicinity.

Your Committee have also carefully considered a remonstrance, signed by four members of said Lodge, against its removal, claiming it would be detrimental, not only to the present condition and prosperity of the Lodge, but to the future well being of the Order in that vicinity. We are informed that there is but one member residing in the town of Philadelphia, where said Lodge is now located, who signed the remonstrance. Both petitioners and remon-

strators have been before the Committee, and we therefore believe we have been fully advised in the premises.

Your Committee believe that so long as a Lodge can be maintained in a healthy condition where it is already located, it should not be disturbed.

Your Committee, after carefully considering the whole matter, are of the opinion that the prayer of the petitioners should be granted, and would therefore recommend the same.

Which, on motion, was laid on the table.

P. G. J. O. Pedigo, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Petitions and Applications, to whom was referred the petition of George Woods and twenty-six others, for a Rebekah Lodge at Mud Lick, Indiana, to be known as Morning Star, No. —, have carefully considered said petition, and find that the General Laws have in all things been complied with.

Your Committee would, therefore, recommend that the prayer of the petitioners be granted, and that a charter be granted for said Morning Star Lodge.

Which was concurred in.

P. G. J. O. Pedigo, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana :

Your Committee on Petitions and Applications, to whom was referred the petitions of Bros. J. W. Jacobs, Anthony Picow, Joseph Brown, George W. Sigler, E. H. Baxter, Wm. A. Chamberlain and C. M. Parks, holding withdrawal cards from Lodges legally organized under the laws of the Grand Lodge, have carefully considered said petition asking permission to organize a Lodge, to be located at Bird's Eye, Dubois county, Indiana, to be known as Bird's Eye Lodge, No. 604, and find the General Laws have, in all things, been complied with, and that said Bird's Eye Lodge, No. 604, was instituted October 18th, 1883, by David F. Wade, Special Deputy.

Your committee would therefore recommend that a charter be granted said Lodge in lieu of dispensation.

Which was concurred in.

P. G. J. O. Pedigo, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee, to whom was referred a communication of Mentor Lodge, No. 591, asking permission to take the lodge property of Auburn Lodge, No. 116, which has surrendered its charter, consisting of carpet, chairs, lamps, emblems and Secretary's desk, has duly considered said application, and recommend same to be referred to the Grand Master for final action.

Which was concurred in.

P. G. J. O. Pedigo, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Petitions and Applications, to whom was referred the petition of Chili Lodge, No. 302, asking permission to appeal to sister Lodges for aid, have carefully considered the same, and respectfully report:

We are informed that there are only eight contributing members at this time; that they have a good lodge hall. It is, however, incumbered by mortgage in the sum of \$700, which they are unable to pay, and unless they get assistance, must surrender their charter.

We would therefore, under the surrounding circumstances, recommend the prayer of the petitioners be granted.

Which was concurred in.

P. G. J. O. Pedigo, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Rebekah Lodge, at Dunkirk, Jay county, have lost, in some manner, their charter, and are now in shape to go ahead and work to some effect. They, therefore, ask your Grand Body to grant them a duplicate charter in place of the one lost. Think it was lost by the party having it framed; said member moved away.

We, the Committee on Petitions and Applications, recommend that a duplicate charter be granted.

Which was concurred in.

P. G. Landon C. Rose, from the Committee on Subordinate Lodge Constitutions, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Subordinate Lodge Constitutions, to whom was referred the By-Laws of Madison Lodge, No. 72, beg leave to report that they have duly examined the same, and recommend their approval.

Which was concurred in.

P. G. Thos. H. Bringhurst, from the same Committee, submitted following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Subordinate Lodge Constitutions, to whom was referred the By-Laws of Mississinnewa Lodge, No. 96, would respectfully report that they find nothing in the said By-Laws not in harmony with the General Laws of the Grand Lodge. Section 14, to which objections are made, reads: "Any member of this Lodge who shall engage in the sale of intoxicating liquors, as a beverage, shall, on conviction, be fined, suspended or expelled, at the option of the Lodge, to take effect from and after January 1st, 1884" Your Committee find nothing in the General Laws forbidding the adoption of this By-Law, and recommend that the By-Laws of Mississinnewa Lodge, No. 96, be approved.

Which was concurred in.

P. G. Geo. Rogers, from the same Committee, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Subordinate Lodge Constitutions, to whom was referred a synopsis of the By-Laws of Milton Lodge, No. 111, of Milton, after careful examination of same, would report that we find them to conform to the General Laws adopted by this Grand Body in all respects, with but one exception, to-wit:

The By-Laws submitted to us reads as follows: "Should said sickness continue for six months (or twenty-six weeks), or longer. After that time (six months) he shall receive but one dollar per week until the end of such sickness or disability.

Our General Laws, in section four (4), chapter four (4), sets forth in clear and explicit language the following: "And that in the event

that any brother's sickness or disability shall continue for a period of more than thirteen weeks in any one term, said Lodge may reduce the amount of weekly benefits to any sum not less than one dollar for the remainder of said term."

We, therefore, recommend the approval of said By-Laws as submitted, with exception of the clause above quoted.

New Albany Lodge, No. 10, of New Albany, submits By-Laws, in which your committee find the same conflict with our General Laws as above set forth, and would call the attention of said Lodge to said clause in our General Laws.

Which was concurred in.

P. G. J. D. Carmichael, from the Committee on Degree of Rebekah, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on the Degree of Rebekah, to whom was referred the memorial of Alpha Lodge, No. 205, Degree of Rebekah, which reads as follows:

MEMORIAL.

Your petitioners in behalf of Alpha Lodge, No. 205, Degree of Rebekah, realize that greater uniformity should obtain throughout the country in the work, customs and usages of this degree, and that a better opportunity should be extended the Lodges to harmonize their work, are confident that this desirable result can be most readily obtained by the assemblage of Representatives, (both male and female) from the various Lodges in each jurisdiction in an annual Grand Lodge session. We also fully believe that such a movement would create a wide-spread enthusiasm in behalf of this beautiful degree, and would in a short time advance the Rebekah Lodge to the front rank of Odd Fellowship.

We, therefore, fraternally ask this Grand Lodge to instruct its Grand Representatives to, if possible, induce the Sovereign Grand Lodge to institute in this and other Grand Lodge jurisdictions annual sessions of the Grand Lodge in the Degree of Rebekah.

D. F. CLARK,

J. R. ELLIOTT, JR.,

A. BURNTRAGER,

Committee Alpha Lodge, No. 205, D. of R.

Attest:

A. BURNTRAGER,

[SEAL]

Secretary.

We would recommend that the prayer of the petitioners be granted, and that our Representatives to the Sovereign Grand Lodge be instructed accordingly.

Which was concurred in.

P. G. Rep. John Morgan, from the Committee on Redistricting the State, submitted the following

P. G. John H. Barr, from the Committee on Subordinate Lodge Constitutions, submitted the following

REPORT:

To the Grand Lodge, I. O. O. F., of Indiana:

Your Committee on Subordinate Lodge Constitutions, to whom was referred the By-Laws adopted by New Albany Lodge, No. 10, and submitted to this Grand Lodge at its present session for approval, have had the said By-Laws under consideration, and directed me to report as follows:

1st. On page 5, Section 7, the word Semi-annual Secretary should be changed to Recording Secretary. Your Committee are of the opinion that, while there may be no violation of law in so changing of names, it is unnecessary to multiply them and thereby cause confusion.

We also find the number of watchers, under ordinary circumstances, reduced to one Your Committee can find nothing in the General Laws to warrant these changes. See General Laws, page 27, Section 8.

Your Committee would recommend that when the foregoing changes are made, that said By-Laws be approved and confirmed.

Which was concurred in.

P. G. Rep. Thos. Underwood, from the Committee on the State of the Order, submitted the following

R E P O R T :

To the Grand Lodge, I. O. O. F., of Indiana:

The Committee on the State of the Order has had referred to it the following resolution, submitted by J. B. Kimball, Past Grand Representative, found on page 72, which is as follows:

Resolved, That the Trustees be instructed to inquire into the propriety of, and if thought best, to have a gallery constructed across the east end of this Lodge room for the accommodation of this Grand Lodge.

After due consideration, your committee would recommend that the matter be referred to the Grand Lodge Trustees, endorsing the same, if, after proper examination, it is deemed best by said Trustees to comply with said resolution.

Which was concurred in.

P. G. Rep. D. B. Shideler, submitted the following resolution:

WHEREAS, It is the duty of this Grand Lodge to, in all honorable and fraternal matters, add strength and encouragement to every branch of the Order; therefore,

Resolved, That this Grand Lodge appropriate the sum of \$500, to be paid to the Committee of the Grand Encampment for the purpose of adding the same to the cash prizes offered by the Grand Encampment to the best drilled Uniformed Degree Camps of this State. Said competitive drill to take place at Indianapolis on the first day of the next session of this Grand Lodge, to be held in May, 1884. Said drill to conform to Eddy's Military Tactics.

Which was adopted.

To the Grand Lodge, I. O. O. F., of Indiana:

WHEREAS, By a decision of Sovereign Grand Lodge of the I. O. O. WHEREAS, Believing that it is the duty of Lodges, when a brother has become so old and infirm that he is unable to labor for the support of himself and family, to pay to such brother his

weekly benefits, as if prostrated with any other sickness, therefore, be it

In the consideration of this subject, we are not unmindful of its importance, and the difficulties attending a proper discharge of the duties assigned us

Your Committee have had several conferences, have compared views, and solicited the opinions of many of the especial friends of this Degree, and in view of the vast importance of the subject, we

recommend that an invitation be extended to Representative Daughters of Rebekah of this jurisdiction, to meet in convention on the Tuesday preceding the semi-annual communication in May, 1884. We would, therefore, ask for further time to report a more carefully devised plan than can be presented at this time.

It shall be the duty of the qualified Officers or Past Officers of Subordinate Lodges to confer the First, Second and Third Degrees, and Degree of Rebekah, upon any qualified member in good standing, and who shall be duly recommended by their respective Subordinate Lodges according to the formula prescribed by the Sovereign Grand Lodge, I. O. O. F., and they shall charge for the same the sum of not less than three dollars for each of the regular degrees, which shall be paid into the treasury of the Subordinate Lodge in advance 68, 73

NOMINATIONS FOR OFFICERS—

Section 6. Nominations for elective officers may be made at the two meetings immediately preceding the evening of the election, and no vote shall be valid nor received as part of the poll unless it be given for a candidate thus nominated. *Provided*, That in case a Lodge has failed to nominate on the nights specified, or all candidates for any office decline, then nominations may be made on the night of the election, but not otherwise..... 44, 72

RE-ELECTION OF OFFICERS—

Section 4. No member shall be eligible to the N. G.'s chair unless he shall have served one term as V. G., nor for the V. G.'s chair unless he shall have served one term in some elective or appointed office, nor shall any member be eligible to any office until he shall have attained the Third Degree; and all elective officers shall have been instructed in the work of the Degree of Rebekah. No passed officer shall be a candidate for re-election to the office passed, when other nominations are made, unless he has been one full term out of office—except the Treasurer, Permanent Secretary and Recording Secretary.

All must be members of the Lodge in which they are elected, and free from all charges on the books of whatsoever kind 46, 73

PER CENTAGE—

Section 1. Each Subordinate Lodge shall pay semi-annually to the Grand Lodge the sum of five per centum on all amounts received for initiations, depositing and drawing cards, for degrees, for regular dues and fines, at the *minimum* rates fixed by the Grand Lodge. But the Grand Lodge shall not have claim on any part of sums raised by special or funeral assessments, nor donations, nor interest upon investments. In case the Grand Lodge funds required for necessary expenditure become exhausted, all Subordinate Lodges shall be subject to pay a *pro rata* tax sufficient to raise the amount necessary for the purpose stated.....64, 68, 78

ON APPEALS—

Amendment to Chapter IV., Section 16, of General Laws: Section 16. In all cases of difference between a Lodge and a member in regard to the payment or non-payment of benefits, after final action of the Lodge has been had in the premises, an appeal may be taken in open Lodge by any member of the Lodge to a committee to be chosen as follows: A Past Grand shall be chosen by the claimant, the Lodge shall choose another, and the two shall select a third, who shall be the chairman, none of whom shall belong to the Lodge interested, but all shall belong to a neighboring Lodge or Lodges. At the call of the chairman, the committee shall meet in the hall of the Lodge interested, shall examine all the papers and records in the case, and hear new evidence and argument, if offered. They shall then file in the Lodge a report in writing, setting forth the proceedings, the evidence, and their decision on the merits of the case. From the finding and decision of the committee after it has been finally acted upon by the Lodge, an appeal shall lie to the Grand Lodge, which appeal may be taken by any member of the Lodge in the manner prescribed by the law for other appeals.
